### Nursery & Breakfast Club Payments

Please ensure payments are made on time to ensure access to the provision is not disrupted at all. As a school we are not able to offer credit so where payments remain outstanding we have no option but to withdraw the service. If there is genuine difficulty around payment please call in to discuss these with the Office staff or Mrs Farrar.

### FOSIIS

Thank you to everyone who donated items for the Bag2school event. The event raised £92 which is a great start to the year.

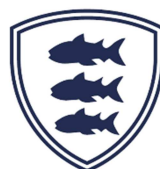

Look out for details of our Halloween disco coming soon...

### Attendance - Lates

Thank you to everyone who has worked with us to ensure their children are on time for school this week. It does make a huge difference to how your child starts the day. It means they don't miss anything and they can start the day with their classmates, feeling settled.

Please note that when children do arrive late you will be asked for a reason and children will be accompanied to class by school staff to minimise disruption to the class lessons. Thank you

### Message from Mrs Farrar

Another fantastic week this week in school. My own highlight was hearing children from Pipit class restock the 'Exploration Station' with Mrs Champion- Merrill just outside my office. The level of engagement, curiosity and discussion around the items they were placing on the station was an absolute delight to listen to. It brought a smile to my face.

Thank you for your continued support,

Mrs Farrar
