Dear Parents/carers,

Transition day, we hope you found the chance to meet with your child's new teacher useful today. The children had a lovely time in their new classes, even the Reception children settled right in as if they had been here for weeks! The year 6 children spent the day at Park School; we look forward to hearing all about it next week!

Year 5 Cricket

Well done to the Year 5 children who took part in the cricket festival this week, well done for coming 1st and 2nd in your groups. Great team work as always for BTS!

Books

We love to read and we try to ensure we have lots of exciting books for children to borrow. Unfortunately, these don't always make their way back to school. Over time, our school library, reading books, group novels get depleted so we're launching a book amnesty over the next week or so. We don't mind how long you've been in possession of a school book; we'd just love to have it back. Please look under the bed, behind the sofa etc and dig out any books which belong to school. No one will be counting how many you return - we'll just be delighted to get them back! Many thanks!

Pre-school news

This week we have been reading Noah's Ark and testing what objects float and sink.

The children have had their last transition morning. They have really enjoyed these and are looking forward to starting school in September.

*Please check the lost property basket on the window sill, it's getting very full!

Please name your children's clothes so that they can easily be returned.

Reminder: Children **MUST** wear hats on sunny days when playing outside and on the field. They will be asked to stay in the shade if not.

Dates:

Sports Day: 2nd July 1.20pm (weather permitting) there is a rough itinerary on the website, you will notice a few changes since last year that we hope will improve the afternoon. If in doubt ask Mrs Crispin or Miss Rhoads!

Please bring picnic rugs to sit on and your own protection from the sun. Children will be supervised by school staff at all times and are not permitted to move to sit with parents for safety reasons. **The trim trail is not to be used by any children all afternoon.** Refreshments will be available from the cabin
