Children's Mental Health Week 2019
4-10 Feb #ChildrensMentalHealthWeek
ChildrensMentalHealthWeek.org.uk

Friday 1st February 2019

Dear Parents/carers,

It's been another eventful week at BTS, with the winter weather keeping us on our toes. Perhaps the children could design a 'cracking contraption' to help us with this as part of their topic?

We are hoping that Mrs Hughes will be able to visit school next week; she will be able to catch up with the children and liaise with the staff who have been covering for her.

Children's Mental Health and internet safety week

As with last year we are focusing on these important topics over the next two weeks. There will be a variety of learning and activities linked to the theme. This year we are inviting you to come along to an open afternoon so that you can see what the children have been doing and help them further with their tasks. The theme is 'Inside and Out' and an information booklet is available on our website. You are welcome to come to school and accompany your child to the hall from 2.30pm on Friday 8th Feb or Monday 11th Feb. For more information please read the letter that will be sent home today.

Internet safety - "Create, Connect and Share Respect: A better internet starts with you".

Next week is also the start of 'internet safety fortnight'. It is our responsibility to keep our children, ourselves, and our community safe online. Technology moves at a rapid pace and our children all want to keep up with it, this means that they can access inappropriate content and potentially people, very easily. Something that seems quite innocent can, in fact, be incredibly dangerous.

Do you always know what your child is watching on youtube? Is your child playing an 12/16/18 rated game? Does your child actually know the person they are messaging? Has your child shared personal information about themselves online?

For vital information for parents about online safety, please click the hyperlinks or visit our website for further links and information.
