

Dear Parents/Carers,

With one more week to go until half term I would like to thank you again for your hard work in supporting your children at home with their learning and for helping to keep us all safe in school by following our protocols. Some children have been able to attend our live sessions with teachers this week and this has been very successful.

Again, please remember to read and follow the user agreements and protocols. Your child will not be allowed into a meeting if they have not had an invite from school and they will not receive an invite if the user agreement online forms have not been completed.

*Parents must not share the invites amongst themselves; this is clear within the protocol and is in line with online safety measures.

If you are having any difficulties with the live sessions please contact our admin team.

Some of you will also have received remote learning through the 'Sway' app, let us know how this works for your child, we think it makes things easier and more fun!

We would like your feedback on our provision as we will be continuing with the systems for at least another two weeks after half term. Please complete the online form as this will help us to evaluate and improve what we do.

School Places

Our numbers of children attending school is rising, please make sure that you only book the days that you need as this will help us to keep the children safe in school. You will need to book places for the week beginning 22nd February by 2pm Friday 12th February.

Wrap-around care.

If you require Breakfast or Cabin club for the week beginning 22nd February, you will need to book by 2pm Friday 12th February.

Thank you

Mrs Smallwood
