

# Bishops Tawton Primary School Newsletter

<https://bishops-tawton.eschools.co.uk/web>

Friday 22<sup>nd</sup> March 2019

Dear Parents/carers,

On Monday Mrs Crispin introduced the idea of 'eco bricks' to the children during assembly, hopefully they were able to talk to you about this and have inspired you to start making one at home. It has certainly made me think more about the amount of packaging that goes to landfill. More information about this project can be found on the [ecobricks website](#).

## Activity Days

You will have received an email/letter explaining how we have planned to use the last three days of the summer term this year. The idea of activity days is linked to the extra holiday week in June; this meant that we had to stretch further into July. We have decided for the last day in class to be Friday 19<sup>th</sup> July, on this day we will have our leavers assembly at 2.30pm. The activity days will involve children spending some time with their class as well as their year groups. We are hoping it will be successful, in which case we will try it again. The teachers are not planning any further trips during the term because this may add to costs; they are planning lots of other exciting activities linked to the summer term topic about the ocean and environment.

## Parent Forum

The forum are due to meet on Monday at 2pm, please let your class reps know if there is anything you would like us to discuss or if there is a project we could plan to work on. Thank you

## Parking and Road safety

I hope our travel and parking awareness week had some impact and that you noticed safer parking around school. We would like to continue to promote this, KS2 children have been asked to create posters for home-learning this week. They can be displayed nearby and can serve as reminders.

**Parking safely and courteously:** Please remember to make sure that you take care when parking and don't block the roads for other users or driveways. We don't want a child to be harmed before everyone takes notice.

## Pre-School news

We are still working on plans to build our extension on the school site. We have raised a good sum of money towards this but will need more. Any help or ideas for further fundraising would be greatly appreciated. Please let a member of staff know if you would like to be involved.

This week we have been hunting for shapes in preschool and collecting data to work out how many we have found.

We have started to make some Mother's day surprises, we hope you like them.

Next week we will be learning all about Easter.

Please note **all** dinners must be ordered and paid for [online](#).

**Our charges are £4 per hour from January 2019**

\*Toddler Group: Based at St John the Baptist Church every Monday from 10 am til 11.30 am\*
