Dear Year 4 Parents/Carers,

The children are enjoying our current topic – What Did the Romans Do For Us? They have made chariots, learnt about significant historical Roman figures and started to learn about everyday life.

To further enrich their experience we have arranged for an expert to come in and have a hands-on Roman Day with the children on Wednesday 27th November. The History Man has had years of experience bringing History alive for school children and will have hundreds of artefacts and costumes for the children to handle and try on. The children will be taking part in re-enactments and playing Roman games. As we are not leaving the school premises, there is no need to give permission for this experience, however we do ask for a voluntary contribution of £5 per child. The school does not make any profit from this and if we receive insufficient contributions then unfortunately we will need to cancel the activity. Payment can be made on the school's epay system.

If you have any questions then please feel free to contact us via Seesaw or the school office.

Yours sincerely,

Mrs Randall and Miss Kaca
