

Dear Parents & Carers

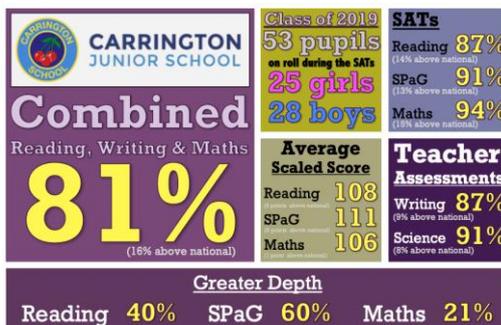

Message from Mrs Majcher

The end of the year is upon us. And what a year it has been. We've had a few bumps along the way but each one has been delicately smoothed out. The summer holiday is upon us and improvements to the school will continue. Thank you for all your support, our success is due to how well we are working together for the children.

SATs Results

We are absolutely thrilled with our SATs results this year. Year 6 have done us proud. This will enable our children to be ready for their secondary education. Well done to all the Year 6 staff for all their efforts over the year. It's an amazing way to end the year!

A New Library

Our new library will be finished over the summer holidays. The children will have a brilliant range of books to read. My thanks goes to you all for all your support towards the cost of the library.

Car Park

Over the summer the car park will be retarmaced and the path leading to the school will be marked as a footpath. The area in front of the field will be cross hatched. This will indicate that it is strictly a no parking or no driving zone.

Voluntary Contributions

Thank you for all your contributions over the year. The total collected was £1499. This money was used to buy new chairs, tables and trays for the children. If you wish to contribute we will send details of how to get involved in September.

Jars, jars, jars!

Thank you for the jars sent in already. I will set us a challenge: to collect 1000 jars for next Cherrylicious day, that's only about 5 jars per family. So keep them coming!

Helmets Please

We have a number of children who cycle to school and do not wear a helmet. From September all cyclists must wear a helmet if cycling to school. Thank you for your support in this matter.

Trailblazers

We have been very lucky to have been selected as a Trailblazer School. This means we are able to offer support and strategies to parents/carers of children who suffer from low mood, anxiety or exhibit challenging behaviour at home. If you would like any further information please contact Mrs Gonzalez.

Pond Clearing

We have recently had a helping hand from some volunteers who have started to clear the pond area. We do need extra pairs of hands to dig out the bramble weeds if you have some spare time over the holiday period. Please email the school if you can help.

CJS Wish List

Following from feedback from the Parent Forum meeting, I will be including a wish list whenever relevant on my newsletters. If you can help let me know.

In the meantime for those keen needle workers out there: cherry bunting would be great. If you are interested in a summer project please come and see me.

Parent Consultations

Dates for your diary for the Parent Consultations, these will be Tuesday 15th October 4.00 pm to 7.30 pm and Wednesday 16th October 3.30 pm to 5.30 pm.

We bid a fond farewell to our Year 6's, continue to do well, we will miss you.

So enjoy your summer, may the sun continue to shine, and remember:

- Read
- Practise times tables
- Water the tomato and pumpkin (and take photos)
- Save your jars

See you all on Wednesday 4th September at 8.40am.

Mrs Majcher and Team
