Message from Mrs Majcher

And Cherrylicious month it is! The summer term always slips past so quickly but it is lovely to see the children enjoying the field in their summer uniforms. I do hope the tomatoes are growing beautifully with lots of TLC.

Year 6 SATs

All done now! Well done to all the children (and parents/carers too)!! The children were absolutely brilliant in the week, we were very proud!

We were even monitored by Bucks County during the week to check that we had administered the SATs correctly. We passed with flying colours! The invigilator commended us on our 'excellent practice' and she was particularly touched by the way we thought through with such care and sensitivity, how the children sat the tests. She equally couldn't believe how silent the rest of the school was. My sincere thanks to Mr Nathan, Mr Shand and everyone else in the Year 6 team and beyond. Good job!

Big Cat Additions

We have bought the latest books to the scheme and introduced the children to them. These include some Paddington tales, Dr Seuss and many many more! Please try to hear your children every night or at least 3 times a week. It really does make such a difference!

Keep us up to Date

We have recently tried phoning our contact numbers provided when children are sick but in quite a number of cases the numbers are unobtainable. Please keep us updated of your details to we can continue to keep your children safe.

Parking at the School

Mrs Miller is doing a great job with Mr Pearce to keep your children safe at the entrance to the car park. Parking in the car park is just for staff please help us to keep your children safe by parking respectfully outside of the school.

Please do not stop at the Gilly's crossing and let your children out. It is extremely dangerous.

We have had a number of residents complaining about the parking. I encourage all residents to contact police directly and register their concerns. Please be thoughtful to our residents when parking. Thank you.

Any Old Ties

If you have spare ties at home, or are a Year 6 parent/carer who will no longer require a tie please send them in. We have a number of children who need them on a regular basis.

Goodbye and Welcome to ...

Mrs Guy will be leaving us in July to seek other exciting ventures. Miss Majcher is also leaving at the end of this year to work closer to home. I wish to thank both ladies for all their hard work and dedication to the school. We welcome Miss Starkey who joins our hardworking team of teaching assistants.

Chairs & Tables to go

We will be replacing most of our chairs and some tables in the classrooms. This is because the chairs and tables do not necessarily match, are very old or are not appropriate for the age range. That then leaves us with lots of spare chairs and tables and a skip to get rid of them all will cost approximately £1000. So to keep the cost down if anyone knows of any nursery, charity or group that could benefit please contact Mrs Moore via the school office.

Recycle with Michael

Many thanks for all your donations earlier this year. We raised just over £14.

Summer Fayre coming up

This year the fair is on a Saturday, 6th July. The PTA have worked very hard to organise the day. Please try to make it even if it's for a little while. It is our main fundraising event of the year. There are some great things planned, not least Mr Shand, Mr Nathan and Mr Talbot in the stocks! We will be having a mufti day on Friday 5th July in exchange for a bottle for our bottle tombola.

Cherrylicious Day – Friday 28th June

Another fun packed day is planned for all to enjoy. Please try to book some time off from your busy lives to join us for a coffee and cake and a peek to see what we will be up to. We will be selling raffle tickets soon. This year we hope to raise £1000 to create more seating in the playground for the children at their request. Details to follow.

Tomato Plants

See how the tomato plants are growing! Keep sending in pictures of your tomato plants via Seesaw, we love seeing them!

Dates for your diary

Date	Event	Time
Friday 14 th June	Drop and Stop	9 am – 11 am
Friday 14 th June	Class and Team photographs	9.30 am
Friday 14 th June	5S Class Assembly	2.45 pm
