Dear Parents/Carers

Since my arrival at Carrington Junior School I have been continually trying to improve and develop all aspects of the school in partnership with staff, governors and parents. You will know from the national press that lack of funding for schools is a key issue and money for the future is still very tight, so this is why I am writing now to ask you to support the school in a financial way.

Additional financial support would enable us to put in place lots of things that would make your children have a better time at the school. For example, a cookery room properly equipped to service groups of children, repairs to the turbine so it could save our energy bills, to name but a couple of the improvements necessary.

Any support you are able to make would be most welcome, but this would be on a voluntary basis. I suggest a payment of £5 per child, per term. Payments would be set up through our cashless system for the amount you are able to contribute, to be paid near the start of each term.

Thank you for your support.

Yours sincerely

Mrs Majcher
