Parents/Carers

Please ensure, following any absence due to ill health, that your child is fit and well enough to return to school. This is important for the child to enable them to cope with the demands of the school day and it is also of paramount importance to ensure, as far as we are able, that bugs and viruses are not passed on to other children.

Many of our children have compromised immune systems, making them very vulnerable to picking up infections/viruses and we want to keep them, and everyone else, as safe and healthy as possible.

I would like to take this opportunity to remind you that Public Health Guidelines state that children are not allowed back into school following sickness for 48 hours.

Thank you all for your cooperation in this matter.

Yours sincerely

Deb Rattley  
Headteacher
