

St Joseph's Newsletter 1 - 2020

16th October 2020

Worship and Liturgy – In Sunday's Gospel, Jesus is reminding us that we have two main responsibilities. One is to love God and to try to live our lives the way God wants us to. The other responsibility is to care for each other and to make sure that everyone gets their fair share of the good things that God has given us. God has given us a world filled with good things. While some of us have all that we could wish for, others of us do not have a house to live in, enough food to eat, clean water to drink. We can help each other and to make sure that all people around the world have their fair share of the things that God has given us. We can all play our part to make the world a fairer place.

Peru is a country which has long had problems with poverty, inequality and violence. Now the people of Peru are struggling to cope with coronavirus.

CAFOD has been working with local organisations in Peru to help those are affected by the virus. 

They have used community kitchens to cook free meals for people who need them to come and collect, they have made sure that those who are sick and aren't earning any money have the medicine that they need. They have also supported children who haven't been able to do online school lessons to learn.

Witnesses of Christ – help share the world equally by praying for solutions to inequality, feeling grateful for what we have and getting involved in our Cafod Family Fast – Walk for Food Day.

Agents of Change– This year we are encouraging our children to be the change that they want to see in the world. This will start with our first whole school event 6th November 202 We are reflecting on the last year and how we can make a positive

change in the world. To raise awareness of local, national and international deprivation we are holding a **'Walk for Food'** day at school. Details about the day and how to support the children will come out via email on Monday.

Help your children to be faithful agents of change.

PE Clubs – Children in years 4,5 & 6 have started their after school sports clubs this week. Children are kept in their bubbles and

are trying different sports each week. If the clubs are successful we will include younger year groups after half term.

School Uniform – Thank you for working so hard to keep our children looking smart. As the winter months draw in please remember to send children to school with coats and winter warmers! Please remember to put their name on everything so that if it becomes misplaced it can be returned to the owner promptly.

PE – Thank you to everyone for adapting quickly to the changes with PE and having to wear a kit into school. Please remember that our school PE kit is: **Black or navy bottoms, white tee shirt and a school jumper.** All children must wear a school jumper or cardigan to school, even on PE days. 

Celebrations this week

Whole School Attendance 97.8%	Top Class Attendance Foundation & Class 1 -99.3% !

Dates for your Diary

Friday 23rd October – Break up for half term

Tuesday 3rd November – Back to school

Office Change

We were sad that Mrs Nott left us this week to take up a post at Plymouth University. We are pleased to welcome the new voice you will hear on the phone which belongs to Ms Hawken who joined us on Monday.
