Parent Workshops -

After the parents' meeting a number of parents expressed an interest in taking part in curriculum based workshops. These workshops will show how different subjects are taught in school and how you can support your child at home.

Phonics Workshop - Thursday 23rd January 2020

Our first workshop is Thursday 23rd January where we will be focusing on Phonics and Early Reading in Reception and KS1. The workshop will begin at 3.10pm and run until 4.00pm. We would like these workshops to be as open as possible to all parents. If you wish to attend the workshop and have a child in Reception–Y6, then on this day, they are welcome to join Mini-Marines session after school. They will need a warm PE kit. Please let us know if you wish your child to attend Mini Marines on that day so that we can alert the instructors to the number of extra children who will be taking part.

Young Voices

What a fantastic time we all had. The children thoroughly enjoyed themselves. We were so pleased with all of the children, their behaviour was impeccable. They did Tredington proud. A member of the arena team even commented on how well behaved they were. We met some fantastic artists and dancers. The arena went wild when Tony Hadley from Spandau Ballet made an appearance. Thank you to all the parents and families who came to support us.

Friendship

The children will focus on one value a month in line with our school Vision and Values. This value will be imbedded in all learning and the focus of our assemblies.

This month's value is **Friendship**.
