Dear Parents,

Media Publication

From time to time there are appropriate occasions when pupils are photographed at school. For example, children may be featured in our school brochure, our Infant Nativity and Junior Summer Productions are recorded for purchase by families as a keepsake and the school is occasionally featured in the local press.

We may also from time to time add photographs and video-clips of children to our school website but will only use a child's name with specific parental permission.

Please return the slip below to indicate whether or not, as parents, guardians or carers you give full consent for your child to be included on any occasion.

If you have any queries please do not hesitate to contact me.

Yours faithfully,

Mrs S J Hills
