

# Using Quizizz!

For more information, visit [www.quizizz.com/](http://www.quizizz.com/) How to access the Quiz set by the teacher.

- 1) Log in to Google Classroom and find the Quiz Assignment.

- 2) Click – you will be asked to use your Google log in details – if you are still unable to use their Google login, please email the school so that we can get the Aspire IT Technicians to sort it out.

- 3)

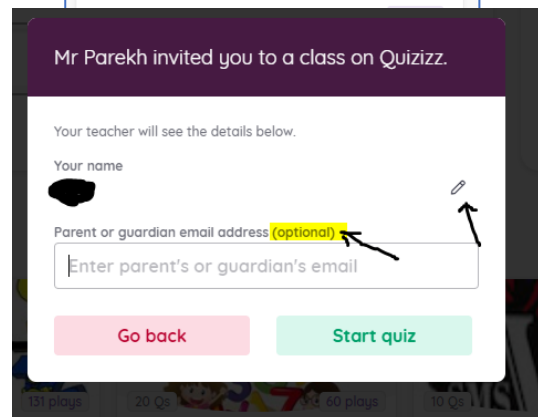

- 4) Enter the child's date of birth. If you would like more information about entering date of birth, visit... <https://quizizz.com/privacy>

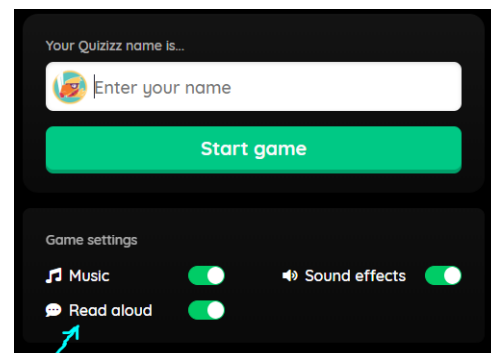

- 5) Enter their 'Grade'. Their USA Grade Level is 1 below the year they are in school. E.g. A Year 5 pupil in England would be in the 4<sup>th</sup> Grade.

- 6) OPTIONAL Click the pencil to edit your name. Esafety tip – don't write your full name. You may wish to shorten your name or use your initials! (Don't forget, once you finish the quiz, it will be sent to your teacher so they can see the name you have typed and they will know it is from you.)

- 7) Your Quizizz name may be auto-filled from the previous step. Turn ON/OFF music and sounds. 'Read aloud' (reads the questions and answers) may be useful

- 8) Click 'Start game' and take part in the quiz!
