Park safely...PLEASE!

Friday 12th January 2018

Dear Parents/carers,

The children are really excited about their topic on SPACE this term. Thank you for all your help with this at home. Just talking and asking questions about learning is a real help, it allows your child to feel valued and to foster the love of learning even more.

Learning Platform

As some of you are aware our website includes a learning platform for use by parents, teachers and children. We would like to start making good use of the platform this year and would like you to help. You will have been issued with a login for this if your children have been at school for a while. Please dig it out and log on, hopefully you will see that teachers have added things to the class page. If you can't find your login please **email** 'families' to request a new one. (Children in Codden and other new children to the school will be issued with a login) Any feedback on the platform would also be helpful.

PTFA

The next meeting will be held on Wednesday 17th January at 2.30pm.
Please come along to help plan activities for this term.

Pre-School News

This week we have been junk modelling aliens. Take a look at the display in the reading area. We have also been looking at the planets in our solar systems and drawing them with chalks on to black paper.

We have a new registration board where the children can vote for their favourite thing out of two choices. Please encourage your child to do this independently, not only does it give your child an opinion but it also helps with name recognition.

Bude Residential meeting: Friday 19th January 3pm

Bags2school collection: Friday 18th January

Please leave your bags in the hall, more are available in the office or you can use bin bags. The more we have the more £ for school!

With very best wishes
Melanie Smallwood
