**Remaining funding and money from the second academic year tranche**

Funds remaining from 2016-2017 financial year will be pay a number of invoices from 2016-17 financial year for attending sports events but invoices had not been received before the

budget closed. Along with funding from the second tranche will be spent on additional swimming instructors to teach alongside class teachers, up-skilling them, and all children to be taught in the summer term by a qualified swimming instructor. During the summer term a PE specialist will work with a range of class to develop their athletics skills, up-skill teaching staff in athletics.

During the summer term, there are lots of inter-school competitive and non-competitive events children from all years will participate in.

### Impact of the Sport Premium Funding

The increase in participation rates in activities such as games, dance, gymnastics and athletics.	All children are able to participate in quality PE lessons at the March, the funding aims to improve the enjoyment and vigour of the activities the children take part in. This is monitored by lesson observations, speaking with children and use of a specialist coach to provide CPD for staff.
To continue participation in competitive school sports.	This is monitored by the number of events children are attending and via the school website with photos.
CPD for staff to up-skill in PE and attendance at briefings and training.	Information from course attended shared with all staff during staff meetings. Teachers will work alongside a PE specialist in PE lessons and learn from a sports specialist.
The improvement in partnership work on physical education with other schools and other local partners.	Children will take part in competitive and inclusive activities through a variety of events.
Encouraging all children to be active during playtimes.	Children will continue to be provided with a range of activities and games at playtimes lead by MMS, KS1 will have new equipment to allow active play throughout the day and enable them to
Additional Swimming Coaches	As more children are entering KS2 as non-swimmers, Sports Premium money is being used to provide additional coaches to allow smaller group sizes. Class teachers are working alongside the swimming coaches to develop their own knowledge and confidence for teaching swimming.

### Objectives for Summer 2017

Additional Swimming Instructors for Year 3 and 5 to team-teach and up-skill staff.	Teachers will have increased knowledge and confidence in teaching swimming and children will become more competent swimmers.
Tennis CPD	Teachers to become confident with teaching tennis and basic bat and balls skills following CPD led by PE lead in Summer 2017. The knowledge of this will be passed on from

	attendance at The Annual PE conference.
Sports Mark Award to be applied for	Collecting evidence and ensuring PE is being taught to a high standard, implementing any further recommendations as advised by local SSSCo to ensure there is a wide range of PE for all children at The March.
Monitoring of teaching of PE lessons.	PE Co-ordinator will monitor PE lessons to ensure all lessons are at least good, the children are developing skills and there is progression throughout the school and lessons are allowing all abilities to participate.
Competitive Events	Children will have the opportunity to take part in competitive events against other primary schools in the area.
Develop Tracking of Swimming	PE leads to develop a system to track pupils through the 4 years of swimming they take part in in KS2. PE leads to look at number of non-swimmers entering KS2 each year and track children to ensure all children leave KS2 begin able to swim a minimum of 10m. Further support to be put in place for children in Year 5 who are still classed as non-swimmers to aim to get them swimming 10m by the end of Year 6.
