we will  
live kindly,  
love each other,  
learn and  
laugh together!*

Dear Parents and Carers,

Welcome back!

We hope you had a lovely and restful Easter. The Spring Term was very busy but exciting and fun and the music concert evening was a huge success with **£285** being raised. I know that Mrs Swindells and all the staff are so grateful, and we cannot wait to buy the new musical instruments for all the children. Thank you for all your support in making the Spring term so successful.

We are all looking forward to another exciting term and we hope you and your children will enjoy the topics and learning that will take place over the next few months. The curriculum learning journeys from each class will give you more information about this and will also give you some important notes to remember throughout the term. Please do also use the school website for further information.

Over the Easter break we had a huge UV protective canopy erected on the school field for the children to be able to seek shade under in the glorious summer we are hoping for! It was certainly used well for the first week with the hot sun and this week ..... Well it was used to shelter from the rain!! Fingers crossed for more sun soon!

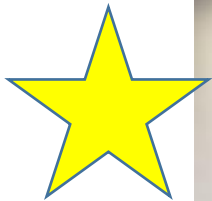

We started this term with playtime training for our lunch time supervisors and a very special team of Year 4 and Year 5 pupils. They will be assisting with new playtime games and activities which they are all very excited about. The PAL team (playtime activity leaders) will be on the playground leading new games over lunchtimes and deciding on new equipment and ideas to introduce. Well done all you were great this week!

**Congratulations to our House Point Badge winners this Month !**

Summer Fayre and Sports Day 29<sup>th</sup> June 2018

On **May 8<sup>th</sup> after school 3-4pm** we need your ideas to help us make this year's summer fayre as exciting and as successful as last years! All ideas are welcome, any help gratefully received.

This is an excellent event to have lots of fun at whilst raising funds for the added extras for the pupils. Over the last couple of years, the funds have been used for 30 new laptops, developments in the enquiry centre, new playground design at the front of the school and a wonderful climbing wall to mention but a few!

This year we would like to raise money to support the development of a multi-sensory nature and wild life area for all children in the school, with trails, wildlife boxes and observations tables.

To ensure another successful event and to make helping out enjoyable for all involved we would like to ask for parents to help support different stalls by taking turns to run these, for parents to help source ideas and prizes for stalls etc..

PLEASE do come along on the **8<sup>th</sup> May** to share any ideas or contacts you may have. Children welcome too!

Thanks for taking the time to read this month's newsletter. If you would like to discuss any items from the newsletter in more detail, please do not hesitate to come and see me, my door is always 'Open'.

Mrs Nicky Metcalfe

Head Teacher
