## From the Head of School

A huge good luck to all of our year 6 children who will be sitting their end of Key Stage 2 statutory assessments (SATs) next week. They have worked hard in preparation and I am sure they will all do their very best. Year 6 breakfast club will begin 8.15am Monday to Thursday. Please enter through the side gate and into the hall through the back doors.

Miss L James

## Sport

As we move into the summer term, our focus changes towards the exciting prospect of cricket and athletics.

With this in mind, we need to firstly send a massive thank you to Paul Stevens for his work over the last few years in his role as our cross country and athletics club coach and for being willing to give up his own time to do this. Unfortunately, due to work commitments, Paul is no longer able to continue in this role but his impact on children across the school has been huge and has been reflected in the achievement of our pupils. He will be greatly missed by the school.

On Thursday 23rd May years 3 to 6 will be participating in our annual sports day. This will take a similar format to last year with all children taking part in 8 events in the morning before track finals in the afternoon. We aim to start at 9.30am with the morning session finishing by 12.20pm for lunch. Parents/carers are invited to attend all day and will be able to join their child on the field for lunch.

As lunch will be a picnic on the field, there will be no school dinners for KS2 on the day and children/parents/carers will need to bring their own packed lunch. Children who are in receipt of free school meals will be provided with a packed lunch.

Children will need to arrive at school in their PE kit - this consists of blue St Stephen Academy t-shirt, blue shorts, blue school cardigan or jumper and appropriate trainers. Due to the unpredictability of the weather, children will need a sun hat, sun cream applied, a water proof coat and a full drinks bottle.

In the event of bad weather, the reserve date is Friday 24th May.
