PUPIL ATTENDANCE POLICY

The school is committed to providing a full and effective education to all pupils, and embraces the concept of equal opportunities for all. We will endeavour to provide an environment where all pupils feel valued and welcomed. School attendance is subject to various Education laws - this Attendance Policy is written to reflect these laws and the guidance produced by the DfE and Cornwall Council. This policy applies to all pupils, including Post 16.

For a child to reach their full educational achievement, a high level of attendance is essential. We will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils, and their parents or carers, the importance of regular and punctual attendance.

School staff work with pupils and their families to ensure each student attends regularly and punctually. There is an effective and efficient system of communication with pupils, parents and appropriate agencies, to provide mutual information, advice and support. The school has a system of incentives and rewards, which acknowledge the efforts of pupils to improve their attendance or time keeping, and will challenge the behaviour of those parents who give a low priority to attendance and punctuality.

The school will:

- Review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.
- Examine its attendance figures and set attendance targets annually. These will reflect both national and county attendance targets.
- Liaise with outside agencies to improve attendance, or deal with attendance issues.

Pupils / students are expected to:

- Arrive on time and register at 8.45am and 1pm at Garras and 9am and 12.50pm at Sithney promptly each school day.
- Register at the School Office if they are late.
- Attend all lessons and register on time in each lesson.

We request that parents/carers:

- Work with the school to ensure their child's attendance is the best it can be. Parents have the primary responsibility in this respect.
- Ensure their child arrives at school on time.
- Inform the school if their child is absent on every day the child is absent, giving the reason for the absence.
- Notify the school office if they need to collect their child(ren) during the school day.
- Contact the headteacher if they have concerns over their child's attendance and feel they need support.
- Make routine medical and dental appointments outside the school day where possible, or in the holidays.
- Attend before and after any appointments made within school time.

Procedures:

To support our key policy statements, the following procedures will be followed:

- The school uses an electronic system to record and monitor attendance. Teaching staff will take an electronic register at the start of every lesson and tutorial, which is automatically stored in SIMS.
- The school's Record of Attendance is maintained electronically and supervised by the school secretary.
- Reasons for absence must be provided by a parent/carer, by letter, by telephone call to the school Office, or by email, secretary@garras.cornwall.sch.uk or secretary@sithney.cornwall.sch.uk.
- The school will contact home on the first day of absence if the school office has not received notification from a parent/carer. This will continue for each day a pupil is absent if no explanation has been given by a parent/carer.
- To assist in the monitoring of attendance, the school secretary meets every two weeks with the headteacher to review those pupils with low attendance, details of previous intervention, and to formulate a plan of action.
- The school will send concern letters to parents/carers of pupils who are falling below attendance targets.
- The school secretary maintains a list of pupils who have attendance problems. These pupils' attendance is reviewed fortnightly and support measures are agreed.
- Pupils whose attendance falls below 90% are designated as 'Persistent Absentees' by the Government, and this triggers a more formal support plan. This may take the form of an Attendance Intervention Meeting with the student and parents/carers.
- If ongoing support is not effective, the school will consider implementing legal proceedings in line with the Education Act 1996.
- Details of each student's record of attendance will be included in their annual report.
- Through Parents' Evenings, the school website and letters home, we will inform parents of the importance of regular attendance.
- Attendance will feature on the agenda of staff meetings and pastoral support meetings.

Punctuality

School registers close at 9.20am, and any arrival after this time may not be authorised, unless a valid reason is supplied by a parent/carer..

If lateness persists, parents/carers will be contacted by the headteacher.

Leave of Absence

Please note that, following new Government legislation, the school **can no longer authorise any leave of absence in term time** unless there are exceptional circumstances. Parents/carers wishing to remove their child during term time must apply to the Headteacher / Head of School at least 14 days prior to the planned absence, using the Leave of Absence Request Form, which is available from the school Office and the website. Each case is assessed on an individual basis.

If parents/carers decide to take their child out of school without permission, they will be committing an offence under the Education Act 1996. We may refer the matter to Cornwall Council, who may decide to take legal action against them. A penalty notice can be issued under Section 444A and 444B of the Education Act 1996. This carries a fine of £60.00 per parent per child if paid within 21 days or £120.00 if paid after this, but within 28 days. Failure to pay the penalty notice may result in Court action. Persistent absences, which are not authorised by the school, may result in prosecution in the Magistrates Court, leading to fines up to £2,500 and/or custodial sentences. **The Council may also apply for the costs incurred in taking the matter to Court.**

The school will promote good attendance by:

- Presenting certificates and prizes to those who achieve 100% attendance.
- Attendance information included in weekly newsletters to parents
- Making the school a place where pupils are valued as individuals within a positive learning environment.
- Seeking the views of pupils and parents/carers on school policies and procedures.
