Halloween Party – 24th October

Dear Parents,

‘Well what can we say about our End of Term Halloween Party Thursday 24th October?’

When we initially discussed a possible Halloween event this year, the FOSS Team decided that the Halloween disco last year was fab but very loud so we decided to go for a party theme with lots of fun games, ironically we didn’t manage to lose the loud factor!!

It is fair to say it was loud, manic but great fun as Commemoration Hall was packed with over 60 children that were entertained, fed and watered with Shannon’s sister fantastic wrapped mummies in coffins and worms in mud. The Hall was also grandly decorated and topped off with a fab giant spider!!

We were really disappointed that we didn’t have time to play some of our planned games such as ‘Ghost blow’ and ‘Hangry hippos’ but we started with a fab game of ‘Mummify a mummy’.....5 teams wrapped 5 mummy’s (and Daddy’s) in toilet roles (kindly donated by Essity at Prudhoe). This was then followed by a game of ‘shake your Halloween booty’ which involved teams bopping ping pong balls out of spooky ‘bum’ boxes.

A few technical difficulties of the oven and microphone not working did not stop us from getting the food ready (eventually) but we really had to shout to be heard on Halloween Bingo! The food was followed by a fun game of Marshmallow grab. The aim?....to eat a giant marshmallow with no hands. Many thanks to Angie who spent hours attaching over 60 giant marshmallows to floss!!!

We finished the night with ‘find a pumpkin’ in a smoke filled outside area, thanks to a generous 37 pumpkins donated from Tesco’s and Waitrose. But we hope the kids had a little time to play and investigate: the Halloween Selfie stick; Karen’s and Shannon’s fabulous potion and mystery box, featuring brains and unicorn horn; Amanda’s Halloween craft area and Shannon’s amazing Monster box and Witches Hat Toss.

We had a great time making stuff and planning this party, we hope you enjoyed it too. By the way, we raised £303.30!! Thank you as always for supporting FOSS.

Best wishes
FOSS
