

Bag 2 School – Thursday 19th November 2020

On Thursday 19th November 2020, FoSS organised a Bag 2 School collection to raise money for the school. Bag 2 School is a company that specialises in the recycling of good quality second-hand clothing. We asked for donations of any men's, ladies and children's clothing, paired shoes, handbags, belts and accessories. The idea was for families to have a good clear out at home and to encourage reusing and recycling of clothing, that would ultimately raise funds and benefit our wonderful school!

The more we collected, the more money we raised for our school! We were thrilled with the quantity of donations we received on the day. Bag 2 School collected the many bags of donations, which were taken away to be weighed. The final weight that was collected was 360kg, which equated to £108 in money raised for the school.

We would like to say a huge thank you for all your donations and helping to raise such a fantastic amount of money for our school!
