

Hello everyone!

It's the summer holidays - we made it! You have worked so hard all year whether in school or at home, and we are really proud of everything you have achieved. Well done! Give yourself a round of applause, a pat on the back or a magic whoosh. (You too, grown-ups!)

We hope you have a lovely time over the holidays. You could...

get crafty and make something special,

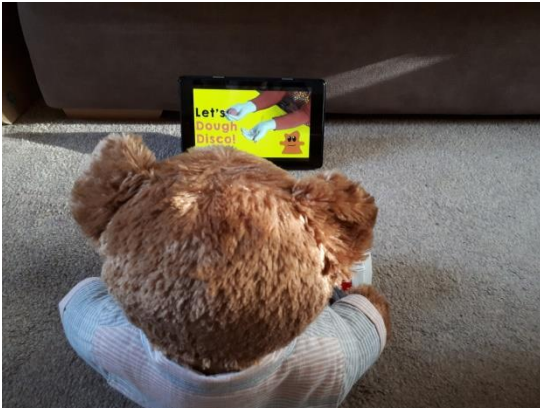

do a spot of gardening,

make some music and sing along,

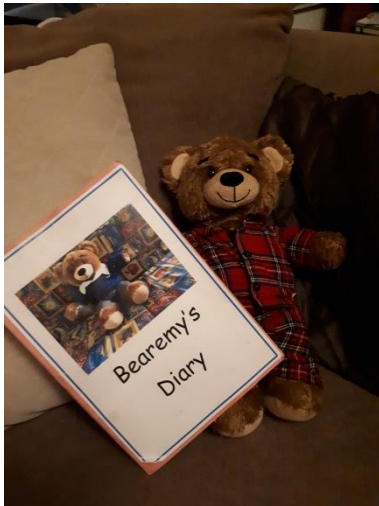

spend some time in nature,

do some dough disco,

*help out with the jobs around
your house,*

keep a diary,

and read lots of stories.

*We can't wait to see you all and have lots of fun
together again at school! Have a lovely summer.*

*Lots of love,
Mrs Ainslie and Bearemy*
