

Home School Agreement – September 2020

As a parent or carer, I agree to:

- Send my child to school as long as they are fully fit and well.
- I will keep my child at home if I am less certain about their health telephoning the school to discuss such concerns in the first instance before sending them in.
- I will not give them medication, such as Calpol, ahead of the school day so they can go to school despite being unwell.
- I will ensure that my child's hands are washed before they leave the family home each day.
- I will ensure that I have a working telephone number that can be accessed at any time by the school during the school day in the event I am required to collect my child.
- I will ensure that I collect my child, if required, in a prompt manner.
- I will ensure that I communicate with the school over any absence my child has on the first day they are unable to attend school.
- I will alert the school to any illness in the family home that requires a period of self-isolation.
- Where possible, I will engage in health testing for my child should they have symptoms of Covid-19.
- I agree to keep my child home if anyone of the staff/pupils' in my child's class bubble become unwell with Covid-19.

As a school, we agree to:

- Care for your child's safety, happiness and well-being.
- Provide a balanced curriculum of exciting, personal, inspirational and challenging learning opportunities, taking into account the individual needs of your child so that they enjoy and achieve.
- Support your child's emotional health by providing educational and emotional support tools as required.
- Provide PPE to our staff so that they can protect your child when they require medical, intimate or personal care activities as outlined within any guidance received from the Local Authority/Government.
- Provide a system of limited contacts which will offer protection for your child from having too many contacts whenever possible.
- Offer outside a designated place for your child to play and exercise during the school day.
- Offer suitable levels of staffing, with staff who know your child's needs well.
- Work closely with you and other professionals to share any concerns for your child's health and wellbeing should these arise.

Together, we agree to:

- Behave positively towards one another, even in difficult or worrying situations.
- Plan for the future of your child's education by continuing to hold and attend meetings for Annual reviews, Personal Education Plan meetings.
- Communicate with each other when ever a problem or issue arises and seek to resolve it together.
