

# First aid policy

## 1. Aims

The aims of our first aid policy are to:

- Ensure the health and safety of all staff, pupils and visitors
- Ensure that staff and governors are aware of their responsibilities with regards to health and safety
- Provide a framework for responding to an incident and recording and reporting the outcomes.

## 2. Legislation and guidance

This policy is based on advice from the Department for Education on [first aid in schools](#) and [health and safety in schools](#), [Statutory framework for the early years foundation stage](#) and the following legislation:

- [The Health and Safety \(First Aid\) Regulations 1981](#), which state that employers must provide adequate and appropriate equipment and facilities to enable first aid to be administered to employees, and qualified first aid personnel
- [The Management of Health and Safety at Work Regulations 1999](#), which require employers to carry out risk assessments, make arrangements to implement necessary measures, and arrange for appropriate information and training
- [The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations \(RIDDOR\) 2013](#), which state that some accidents must be reported to the Health and Safety Executive (HSE), and set out the timeframe for this and how long records of such accidents must be kept
- [Social Security \(Claims and Payments\) Regulations 1979](#), which set out rules on the retention of accident records
- [The School Premises \(England\) Regulations 2012](#), which require that suitable space is provided to cater for the medical and therapy needs of pupils.

## 3. Roles and responsibilities

### 3.1 Appointed person(s) and first aiders

Bourne Education Trust schools must have a minimum of one qualified first aider and one designated 'appointed person' to take charge of first aid matters in their absence. Schools with early years provision must ensure their appointed person(s) and/or first aiders are appropriately trained paediatric first aiders as outlined within the [Statutory framework for the early years foundation stage](#).

Appointed person(s) and first aiders are responsible for:

- Taking charge when someone is injured or becomes ill
- Ensuring there is an adequate supply of medical materials in first aid kits, and replenishing the contents of these kits
- Ensuring that an ambulance or other professional medical help is summoned when appropriate.

First aiders are trained and qualified to carry out the role (see section 7) and are responsible for:

- Acting as first responders to any incidents; they will assess the situation where there is an injured or ill person, and provide immediate and appropriate treatment
- Sending pupils home to recover, where necessary
- Complete an accident report on the same day, or as soon as is reasonably practicable, after an incident
- Keeping their contact details up to date.

Bourne Education Trust schools will ensure that the names of their first aiders are displayed prominently around their school.

### **3.2 Bourne Education Trust and the local governance committee**

Bourne Education Trust has ultimate responsibility for health and safety matters its schools, but delegates responsibility for the strategic management of such matters to each school's local governance committee.

The local governance committee delegates operational matters and day-to-day tasks to the headteacher and staff members.

### **3.3 The headteacher**

The headteacher is responsible for the implementation of this policy at their school, including:

- Ensuring that an appropriate number of trained first aid personnel are present in the school at all times
- Ensuring that first aiders have an appropriate qualification, keep training up to date and remain competent to perform their role
- Ensuring all staff are aware of first aid procedures
- Ensuring appropriate risk assessments are completed and appropriate measures are put in place
- Undertaking, or ensuring that managers undertake, risk assessments, as appropriate, and that appropriate measures are put in place
- Ensuring that adequate space is available for catering to the medical needs of pupils
- Reporting specified incidents to the Trust and HSE when necessary (see section 6).

### **3.4 Staff**

School staff are responsible for:

- Ensuring they follow first aid procedures
- Ensuring they know who the first aiders in school are
- Completing accident reports for all incidents they attend to where a first aider is not called

- Informing the headteacher or their manager of any specific health conditions or first aid needs.

#### **4. First aid procedures**

##### **4.1 In-school procedures**

In the event of an accident resulting in injury:

- The closest member of staff present will assess the seriousness of the injury and seek the assistance of a qualified first aider, if appropriate, who will provide the required first aid treatment
- The first aider, if called, will assess the injury and decide if further assistance is needed from a colleague or the emergency services. They will remain on scene until help arrives
- The first aider will also decide whether the injured person should be moved or placed in a recovery position
- If the first aider judges that a pupil is too unwell to remain in school, parents will be contacted and asked to collect their child. Upon their arrival, the first aider will recommend next steps to the parents
- If emergency services are called, the headteacher or if not available the school administrator team will contact parents immediately
- The relevant member of staff will complete an accident report form on the same day or as soon as is reasonably practical after an incident resulting in an injury.

##### **4.2 Off-site procedures**

When taking pupils off school premises, school staff will ensure they always have the following:

- A mobile phone
- A portable first aid kit
- Information about the specific medical needs of pupils
- Access to parents' contact details.

Risk assessments will be completed by the lead member of school staff prior to any educational visit that necessitates taking pupils off school premises.

There will always be at least one first aider with a current first aid certificate on all school trips and visits.

#### **5. First aid equipment**

A typical first aid kit in a Bourne Education Trust school will include the following:

- A leaflet with general first aid advice
- Regular and large bandages
- Eye pad bandages

- Triangular bandages
- Adhesive tape
- Safety pins
- Disposable gloves
- Antiseptic wipes
- Plasters of assorted sizes
- Scissors
- Cold compresses
- Burns dressings.

No medication is to be kept in first aid kits.

First aid kits are stored in:

- The main office
- Other key areas as required: for example, design technology, PE, performing arts, science.

## **6. Record-keeping and reporting**

### **6.1 First aid and accident record book**

- A minor accident form will be completed if the injury needs only very minor first aid - a wipe, cold compress, plaster or ice pack for a short time.
- An Accident/Near Miss/Violence at Work Reporting Form will be completed by the relevant member of staff on the same day or as soon as possible after a major incident resulting in an injury
- As much detail as possible should be supplied when reporting an accident
- A copy of the accident report will also be added to the pupil's educational record by the school administrative team
- Records held in the first aid and accident book will be retained by the school for a minimum of 3 years, in accordance with regulation 25 of the Social Security (Claims and Payments) Regulations 1979, an Accident/Near Miss/Violence at Work Reporting Form will be kept until the child is 21 years old.

### **6.2 Reporting to the HSE**

The headteacher will keep a record of any accident which results in a reportable injury, disease, or dangerous occurrence as defined in the RIDDOR 2013 legislation (regulations 4, 5, 6 and 7).

The headteacher will report these to both the Trust and the Health and Safety Executive as soon as is reasonably practicable and in any event within 10 days of the incident.

Reportable injuries, diseases or dangerous occurrences include:

- Death
- Specified injuries, which are:

- Fractures, other than to fingers, thumbs and toes
- Amputations
- Any injury likely to lead to permanent loss of sight or reduction in sight
- Any crush injury to the head or torso causing damage to the brain or internal organs
- Serious burns (including scalding)
- Any scalping requiring hospital treatment
- Any loss of consciousness caused by head injury or asphyxia
- Any other injury arising from working in an enclosed space which leads to hypothermia or heat-induced illness, or requires resuscitation or admittance to hospital for more than 24 hours
- Injuries where an employee is away from work or unable to perform their normal work duties for more than 7 consecutive days (not including the day of the incident)
- Where an accident leads to someone being taken to hospital
- Near-miss events that do not result in an injury, but could have done. Examples of near-miss events relevant to schools include, but are not limited to:
  - The collapse or failure of load-bearing parts of lifts and lifting equipment
  - The accidental release of a biological agent likely to cause severe human illness
  - The accidental release or escape of any substance that may cause a serious injury or damage to health
  - An electrical short circuit or overload causing a fire or explosion.

Information on how to make a RIDDOR report is available to view [here](#).

### **6.3 Notifying parents**

A member of staff will inform parents of any accident or injury sustained by a pupil of a Bourne Education Trust school, and any first aid treatment given, on the same day, or as soon as reasonably practicable.

Every child who visits the medical room following a bump to the head will be given a 'bumped head' wristband and a record will be kept in the accident book. For minor instances, i.e. where there is no apparent cause for concern and no need for the child to be collected from school, parents/carers will be notified via email. In cases where the child has sustained bruising/cut/swelling or feels unwell following a bumped head, parent/carers will be contacted immediately via a phone call.

### **6.4 Reporting to Ofsted and child protection agencies**

The headteacher and the Trust will notify Ofsted of any serious accident, illness or injury to, or death of, a pupil while in their school's care. This will happen as soon as is reasonably practicable, and no later than 14 days after the incident.

The headteacher will also notify local authority child protection agencies (MASH team) of any serious accident or injury to, or the death of, a pupil while in the school's care.

## 7. Training

All school staff within Bourne Education Trust schools are able to undertake first aid training if they would like to.

All first aiders must have completed a training course, and must hold a valid certificate of competence to show this. Bourne Education Trust schools will keep a register of all trained first aiders, what training they have received and when this is valid until.

Staff are encouraged to renew their first aid training when it is no longer valid.

At all times, at least 1 staff member within each Bourne Education Trust school will have a current first aid certificate which is updated at least every 3 years.

## 8. Monitoring arrangements

This policy will be reviewed by Bourne Education Trust every 3 years. At every review, the policy will be approved by the performance and standards committee.

## 9. Links with other policies

This first aid policy is linked to the

- Health and safety policy (incl. Risk Assessment)
- Policy on supporting pupils with medical conditions.
