## Spring 3

### Message from Mrs Reid

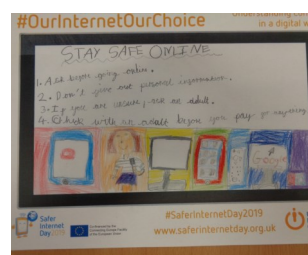

This week heralded the national 'Internet Safety Day' and so our pupils have been spending their computing lessons finding out about how they can keep safe online. Our younger pupils made internet safety posters, some of which can be seen here.

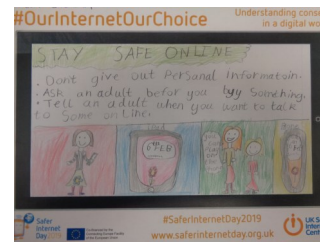

Our older pupils also took part in class quizzes and activities, so I asked for volunteers from Eagles class to write an article for the newsletter about their learning. Here is one example:

### Internet Safety

Do you want to stay safe online? Here at Frieth C.E.C. School we have been learning about how to stay safe online. Remember

## 8th February 2018

never put personal details online because it might end up with a bad person.

In computing we made PowerPoint presentations telling people how to be safe online. Here are some of our top tips!

- Do not tell anyone your passwords
- Never post a picture of your friend to someone without their permission.
- Never meet up with a stranger you met online
- If someone tells you a nasty message, tell

someone you really trust.

If you follow these tips, you should be safe online.

**REMEMBER—BE SAFE ONLINE!**

In other news this week, Our cross country runners took part in their penultimate meet for the season. We were incredibly lucky to have a break in the wintery weather and arrive at Black Park in glorious sunshine and lovely running conditions. Needless to say, the Frieth team all put in their best efforts to complete the course and arrive back to the base with wide smiles and a sense of achievement. Well done runners and thank you to Mrs Harbinson and our volunteer drivers who enabled the pupils to attend the meet.

Have a lovely weekend

*Mrs Reid*

### **Reminders:**

**Winter Uniform** Please can all children come to school in long trousers or tights so that their legs are covered and with a warm coat. We actively encourage our pupils to be outside as much as possible even in the coldest weather, however, when the temperature is zero or below, they will not be allowed onto the playground unless they are wearing uniform appropriate to the weather.

**Illness** There are a number of bugs floating around the school at this time of year. Please can you take the time to remind your child or children about the importance of thorough hand washing to avoid the spread of germs!

**Parent consultations** The parent consultation meetings take place on Monday and Wednesday evenings next week. We look forward to seeing you then.

**Eagles class assembly** Following the postponement of the class assembly owing to the snow day last week, and Mrs Goodchild's illness this week, we have yet to set a new date for the Eagles class assembly. Once Mrs Goodchild is back in school, we will find an alternative date and let you know by email and by updating the school calendar on the website.
