Summer 5

19th May 2017

Message from Mrs Reid

We have had a very exciting and full fortnight here at Frieth.

First I must say an enormous well done to our Year 6 pupils who completed their KS2 SATs tests last week. During every test, they demonstrated their calm, dedicated approach to their tasks. They read everything carefully, they checked all their answers and they didn't stop checking and improving right up to the last minute of the time allowed. Their exam skills were amazing to watch and they could not have tried any harder!

Equally brilliant were the Year 2 pupils who have also tried their hardest with their KS1 tasks and tests this week and the Year 3, 4 and 5 pupils who are taking NFER non-statutory assessments as well. The 'Growth Mindset' of perseverance has been clearly on display throughout the week. We

are massively impressed and so proud of each and every one of you! WELL DONE!

Year 6 haven't rested on their laurels from all their hard work last week however, and have been busy running a fantastic sponsored event for the NSPCC as part of their PSHE curriculum and 'Cop Cards' project. They did a fantastic job of organising the activities and running the event for each class in the school this week, and were slick and professional in their approach. A few budding sports coaches of the future on display!

In another exciting break from tasks and tests, we have also hosted a visit from the Chef Shaun Dickens of

the Boathouse, Henley. He gave a fantastic talk on different types of vegetables, showing us not just purple beetroots, but golden beetroot and candy beetroot as well. The children were also fascinated to see the difference between traditional cauliflower and romanesco cauliflower and to hear about how vegetables grow in the different seasons.

To complete his brilliant talk, Shaun, with the assistance of two of the pupils, whipped up a fantastic dark chocolate mousse with white chocolate drops, the children can try the recipe at home, please find it at the end of the newsletter. Have a lovely weekend in the kitchen everyone!

2016-2017

2016 -2017 INSET days

- Wed 4th January 2017
- Tues 18th April 2017
- Friday 26th May 2017

School will be closed May Bank Hol 1st May 2017

	Open	Close

BUDDY'S BIG WORKOUT UPDATE

Buddy's Big Workout has been a lot of fun. The whole school has had to compete in lots of different activities: standing long jump, bench step ups, hoop running and skipping.

We were planning to hold our mini-Olympics outside but as the bad weather hasn't been kind, we had to do it in the hall. Our mini-Olympics has been run by the Year six children and we think we've done a wonderful job!

Please do remember to bring in your sponsor money by Wednesday, 24th May to help our fundraising for the NSPCC.

School Meals

Please see Summer 4 newsletter for a report on school meals from the premises committee of the governing body.

FIDGET SPINNERS

There has been a recent craze for Fidget Spinners in all schools in the area. Fidget Spinners are designed for specific children who need to have constant sensory feedback in order to aid their levels of concentration. Should a child need this additional sensory feedback, we are happy to support this in school and the class teachers or the SENDco, Mrs Goodchild, will contact parents directly to organise this. For all other children they are unfortunately becoming a distraction from learning rather than an aid to concentration and we are therefore asking children to leave them at home from next week. Thank you for your understanding in this.

FIT BITS

We have noticed a number of pupils coming to school wearing 'Fit Bits'. We understand the health benefits of being able to track step counts and how they help to promote a healthy and active lifestyle, however we are concerned about such expensive equipment being in school. We would hate to find some pupils being upset because they have not got, or cannot have a 'Fit Bit' that they see their friends wearing and we would also hate to see them get damaged or lost. For these reasons, we ask that 'Fit Bits' be left at home, and that the most pupils wear on their wrist is an inexpensive watch to help them tell the time. Thank you for your help in this matter.

SUNNY WEATHER

If we should ever get the promised summer heat-wave in between the downpours, please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them. Sunglasses are not permitted without a note from a medical professional as the visor on a sun hat will provide enough eye protection.

Please also ensure they have a named water bottle in school every day.

FROM THE OFFICE...

MEDICINES IN SCHOOL

If your child needs lip salve in school for medical reasons you will need to complete a medical form which is available from the school office. If there are no medical reasons for needing lip salve, it should be kept at home.

TEMPEST CLASS PHOTOS

Tempest will be in school on Wednesday 14th June to take the class photos.

DIARY DATES NEXT WEEK

MONDAY 22ND MAY	KITES COOKING MORNING CREATIVE WRITING DAY WYCOMBE HIGH SCHOOL DRAMA WORKSHOP KS1
TUESDAY 23RD MAY	YEAR 6 TALK WITH YEAR 4/5 RE FRENCH TRIP 2018 GARSINGTON
