Summer 6

9th June 2017

Saxon Day

On the 5th of June a man called Lord Uhtred (AKA Andrew) from 'History off the Page' came in to teach us about the Saxons.

In the morning, we went to stalls which were being run by parent volunteers or teachers and each one had a fun activity to complete. There was: candle making, gargoyle face making, rune writing, pouch making, decorative rune writing, bracelet making, brooch making, weaving, medicine making, Thor's hammer making and some people also got to go hunting.

The morning ended with each class learning how to make a shield wall. Once we had made the wall, Lord Uhtred tried to break through it; he wasn't successful!

By doing this we learnt how important battle tactics are and it helped us appreciate how the Saxons managed to defeat the Viking invaders.

In the afternoon, we learnt about archaeology. Everybody enjoyed digging in mud boxes, trying to discover hidden historical artefacts and identify what their purpose might have been.

The afternoon ended with Lord Uhtred smelting metal in the Hall and making 3 necklaces for each Key Stage 2 class. He used some of the clay brooch moulds that we had made during the morning workshop to We had a really fantastic Saxon Day and learnt a lot!

LUNCHTIME STAFF

You may be aware that we have been asking for volunteers to help at lunchtime recently. Unfortunately this is because Mrs Caroline Vincent has been very unwell and is unable to work. The pupils have been informed and have made her a card this week and we know that you will join us in sending her all our love at this time.

If any parents are able to volunteer an extra hour at lunchtime to help, it would be much appreciated. Please contact the school office.

SUNNY WEATHER

If we should ever get the promised summer heat-wave in between the downpours, please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them. Sunglasses are not permitted without a note from a medical professional as the visor on a sun hat will provide enough eye protection.

Please also ensure they have a named water bottle in school every day.
