Autumn 3

Message from Mrs Reid

I am thrilled to announce that, 'Frieth Falcons' wraparound care will be opening for the Breakfast Club from Monday 4th November. Following a positive consultation with parents and the recent registration process, we have enough pupils registered for the club to run after half term and a member of staff has been recruited. Booking forms and payment details will be sent out to families that have registered next week. It isn't too late to register and book spaces. If you would like any more information or to collect a registration form, please contact the school office.

We are also delighted to announce that the registration for the **After School Wraparound Care Facility** has been positive enough for us to **open from January 7th 2020**. Booking forms and information will be sent to registered families in the first week of November after half term. Again, it isn't too late to register your child so please

contact the office if you require a registration form.

In other news...

Today our year 3 and year 4 children helped to make the Harvest Bread for this Sunday's Church Harvest Service. We were joined by three Foundation Governors (present and past) from the parish community who taught the children how to shape the dough for the bread and talked to them about the meaning of harvest. The bread will take centre stage in the church this Sunday and will also be there for the school Harvest service on Monday morning. Every class has been busy preparing a contribution to the service, and you are warmly invited to join us in the church at 9:30am.

The service also gives our

pupils and families the chance to become 'Harvest Heroes'! Please help our school continue to support the 'One Can Trust' this harvest, by giving your child an item to donate at the beginning of our Harvest Service on Monday. For more information on how the 'One Can Trust' supports our local community and ideas for what is most urgently needed, please follow the link to <https://onecantrust.org.uk/>

Our Gardening club have been doing some harvesting of their own and provided the library with a beautiful vase of flowers last week, as well as harvesting the vegetables they planted earlier in the year. You can keep up to date with their gardening progress on their website page. <https://www.friethschool.co.uk/website/gardening-club/360289>
Have a lovely weekend!

Mrs Reid

Welcome To Frieth School & The PTA!

Minutes of the September meeting have been published this week.
The Frieth Hilly will be on Sunday 20th October.

100 Club

Don't miss out on your chance to raise funds and be a winner! 100 Club forms are available in the school office!

Reminders

Weather and Outdoor Learning

Our recent windy and wet weather has highlighted the number of pupils coming to school without appropriate clothing for the weather. Please ensure your child has a waterproof coat and a full winter PE kit in school (all clearly labelled) so that they can enjoy the outside space whatever the weather! As the Scandinavian saying goes 'There is no such thing as bad weather, just inappropriate clothing!' As a school we are committed to learning outside the classroom as much as we can, and are hoping to start our Forest School Sessions with some of our pupils after half term. For this reason our pupils need to have weatherproof clothing to ensure they don't miss out on any fantastic learning opportunities.

Snacks and Drinks

All pupils will need a named water bottle in school every day which they can refill should they need more. If parents wish to provide a further drink for lunchtime, that is fine, however we will have some water available for those without a drink or their water bottle in school.

KS2 pupils are also encouraged to continue bringing a healthy snack for the morning break time. KS1 and EYFS pupils will continue to be provided with fruit snacks in school during the morning. PLEASE ensure that you send sandwiches, snacks or food items that **DO NOT CONTAIN NUTS OR SEEDS** as we have pupils in school who are highly allergic to these and even touching surfaces they have been on can trigger a serious reaction.

Lunches

Please remember to order school meals on the website before the start of the school day to avoid any children having to wait until the end of service if they haven't pre-ordered.

There is detailed information about pick up and drop off on the school information pages on the website. We ask all parents to read the information.

Arrival and Collection from School

The beginning of the new academic year is a good time to remind all parents of the safety rules we currently have in place.

- Please abide by our school opening times and drop your children off between **8:45 and 8:55**. A member of staff will be on the front gate to greet the arrivals and keep an eye on the turning circle in the morning and a member of staff will be on duty to look after the pupils on the back playground until the whistle blows at 8:55.
- Please do not get out of your car in the drop off zone. If you need to pop into the office, or your child is unable to let themselves out of the car, please park further away and walk in with your child.
- Please do not park in the car park after 3pm

Please only park in designated parking spaces, as parking in the entrance way to the village hall and the car park limits the space, blocks the emergency access to the school and is hazardous for the pupils walking past.

Bus children

If you use school transport for your child please ensure the school office has an updated timetable of which days your child will be using the service and any days you will be collecting them. We will assume your child is on the school transport on those days, unless you advise us otherwise by note or phone call before 3pm on the relevant day.

Church Services

We have a number of Church services throughout the school year, including our Welcome service, Harvest service, Christmas service, Easter service and Leaver's service. As with all our services, parents are more than welcome to attend, but are asked to sit at the back of the church so the children can sit in the pews. This term our services are:

Monday 14th October 9:30am

Harvest service

Thursday 19th December 1pm

Christmas service

St Johns Frieth will also be holding a family Harvest service on Sunday 13th October.

We also invite our community to join us for our annual Remembrance Day Collective Worship in the School hall. This year it will take place on

Monday 11th November, beginning at 10:45am.

DIARY DATES

Dates and events happening in the school diary can all be accessed in the Calendar section of the School Website at the following link:
