Summer 2

Message from Mrs Reid

Well done to all our Year 6 and Year 2 pupils who have been demonstrating their fantastic resilience, determination and perseverance over the past week or two with the Statutory Assessments (SATs). Whatever the outcome, they should all be extremely proud of how they have performed, trying their best and being calm and mature in their approach to the tests.

Thank you also to the rest of the school who have been working super quietly and considerately whilst the tests have been happening.

In other news in the past fortnight, some of our year 3 and 4 pupils attended their dodgeball festival organised by Club Sport. They were mixed in with teams from other schools and had a fantastic time competing and making new friends along the way.

On Saturday 11th, a small army of volunteer parents and governors turned up for our May working Party. The blue fence is finally painted (although possibly the first sections will be

ready for their new coat before too long—it is now known as the Frieth 'Forth Bridge' Fence! We also found some fantastic wildlife in our copse area as we stripped back the pathway around the pond, and whilst clearing the back of the shed area, found a nest of eggs.

Ms Lautenbach was also busy preparing the garden areas ready for the first gardening club of the year, during which she found that the mother partridge was now sitting on the eggs to warm them up for hatching. something the hen cannot do until the last egg is laid.

Thank you to Will Hunt who spent the morning repairing and coated the back door

17th May 2019

of the school to restore it to all its original finery.

Mr Redhouse also visited us today to demonstrate a water pump from the charity 'Wateraid'. He talked about how the pump worked, why they are used

and how they help communities. He also talked about the history of water aid and how clean water is essential to good health. For more information about this charity, please click [here](#).

Mrs Reid

REMINDERS:

Whole school Photograph: The whole school photo is a very special event that takes place every 7 years. This year it will be taken on Thursday 23rd May. Pupils are expected to be in their normal, neat and tidy, school uniform on the day of the photo. This can be either the summer or winter uniform.

Work Share Afternoon: This coming Thursday is our summer term work share afternoon. Parents are warmly invited to come in with their child or children and spend time sharing their work with them. This is an opportunity for your child to talk about the work they are proud of and their learning in school and they should remain with their parents in school. As the teaching staff will be busy finalising the end of year assessments and beginning preparations for the annual reports to parents, they are not expected to attend the work share, but will leave the books and work available in the classrooms. Should you wish to speak to your class teacher, please make an appointment in the usual way by contacting the school office and we will be happy to organise this for you.

Water Bottles - please double-check that your child has a named water bottle in school. When pupils don't have their water bottle we have to give them a single-use disposable plastic cup, and have now run out - which means we've used approx. 100 since the beginning of the school year. I am sure you will agree that has an environmental impact that we wish to avoid.

Sunny Weather

Now the weather is becoming warmer please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them.

Working Parties: Thank you to all our volunteers who help keep our school grounds a vibrant learning environment for our pupils. The next scheduled working party on 6th July has been cancelled owing to diary clashes, however, please keep an eye on any other working party updates for the summer term. The next scheduled working party will be held on Saturday 14th September.

E-safety Evening for Parents: following requests from parents, Mrs Reid has organised an E-safety evening for parents on Thursday July 4th at 7pm. Booking for this will open using the parents evening system after half term. Refreshments will be provided.

Working Parties: Thank you to all our volunteers who help keep our school grounds a vibrant learning environment for our pupils. The next scheduled working party on 6th July has been cancelled owing to diary clashes, however, please keep an eye on any other working party updates for the summer term. The next scheduled working party will be held on Saturday 14th September.

Calendar Dates: All dates for the busy summer term have been uploaded to the website calendar. If you are having any difficulties seeing the calendar items or any other information on the site, please check/clear your cached settings on your device and then try again. If it is still not displaying the information, please let the school office know and we will raise the issue with e-schools, our website provider.
