	29th Oct	19th Dec
Spring	3rd Jan	15th Feb
	25th Feb	5th April
Summer	23rd April	24th May
	3rd June	24th July

RAF Hendon

On the 21st of February, KS 2 went to RAF Hendon to find out more about what happened and why WWII was such a big event. We saw lots of planes and had a wonderful experience!

In the morning, at 8:30, everyone gathered and we did the register. We got into partners and hopped on the coach to head to London. On the coach we had a great time seeing who could suck a polo for the longest (including Mrs Goodchild)!

When we arrived at RAF Hendon, we got off the coach and headed on into the museum. A member of staff showed us to where we were having our lunch and then we went off, as a class, to explore the first hanger of the museum.

As we were walking round, we saw many different amazing planes, helicopters, boats and

bombs. Some of my favourites were the Spitfire and the Kittyhawk. We even got to climb in one of the planes; it was incredible!

Then, we headed back to where we were going to eat, and had our lunch. Once we had finished eating, we were allowed to explore the interactive experiments that were set up around the tables. After everyone had finished eating, we came together and waited for our workshop to begin.

After a while, we were called for our workshop. We got to experience what it would be like, as a child, to go to school during the war. We got to write with a quill and ink and we also had our very own air-raid, where we had to hide under the tables. We talked about why the war happened and why we won.

Afterwards, we walked out of the museum and headed to a different building, which had some WWI planes and

bombers. Then, after a quick look round, we left the building and got back on the coach, to go back to Frieth.

Overall, I had a wonderful day and learnt lots about WWII that I didn't already know. I would definitely recommend RAF Hendon as a great day out and I would 100% go there again.

Message from Mrs Reid

While KS2 were out on Wednesday KS1 made full use of have the school to themselves, lots of playground space, extra PE with coach Jake and choosing different classrooms to work in! They also had another exciting guest as part of their Helping Hands topic, as Dr Pash joined them for the afternoon to talk about what it is like to be a doctor and how she helps her patients. I think there are lots of teddy bears that also feel much better now in the Owls class doctor's surgery!

Have a lovely weekend everyone!
Mrs Reid

PTA NEWS

Please be sure to return your nomination forms for PTA Committee by the end of the day on 26th Feb. The AGM is on Tuesday 27th Feb, 7.30pm at school.

Attached to the newsletter email is a poster about the Easter Egg Hunt. This can also be downloaded from the PTA page on the Website. We would appreciate if you could print out and stick a copy up in your window or car.

Developing Potential without Limitations

REMINDERS:

World Book Day; We invite the children to dress up as their favourite literary character next **Thursday 1st March**, and also to bring the book into school with them to share with their classmates.

Administering medicines. If your child requires an antibiotic or any other medicine that needs to be taken 4 times a day and therefore is needed at lunchtime, we would be grateful if you could complete an "Administration of Medicines" form from to enable us to give the medicine. This can be found at the end of the medicines policy on the website here; [Policies](#) Please print out, fill in and bring into the office with the medicine.

KS1 Phonics Workshop; Owls and Buzzards have received a letter about this fantastic workshop, run by Mrs Tyzack, to help you understand how phonics is taught at Frieth and pick up some hints and tips on how to help your child progress their reading. We would encourage you to sign up promptly if you are interested in attending as numbers are limited and [booking closes on Monday.](#)

Who is collecting your child? To prevent emergency phone calls having to be made at 3.15pm, it is important that if your child is going to be collected by somebody other than you at the end of the school day that you send in a **note to your child's teacher** bought by bookbag (or in person when dropping off). We would ask that only last minutes changes on the day be communicated by email to the office, or by phone in cases of emergency.

Class Assemblies; There are a number of class assemblies coming up. All dates are on the school [website calendar](#) so please do check for your child's class.

Church Services

We have a number of Church services throughout the school year, including our Welcome service, Harvest service, Christmas service, Easter service and Leaver's service. As with all our services, parents are more than welcome to attend, but are asked to sit at the back of the church so the children can sit in the pews. This term's services are:

Thursday 29th March 2018

Easter service

DIARY DATES

Dates and events happening in the school diary can all be accessed in the Calendar section of the School Website at the following link:
