LETTER: GARSINGTON LETTER

Summer 11

Message from Mrs Reid

And so we have reached the end of another action packed year at Frieth School. There have been so many highlights: our super Ofsted inspection; our Saxon day; trips to the farm; visiting chefs; the new outdoor area; the new library; sporting fixtures; Young Voices and many, many other events that make our school so vibrant and wonderful. In the past two weeks alone, we have celebrated our traditional Summer Queen festival, had Bollywood dancing; workshops and craft mornings.

As always, this would not be possible without the army of volunteers from the parents, the PTA, the Governing body, the Parent Representatives, and the local community. Thank you

to you all.

Finally this week, we have held an assembly in school to celebrate the 11 ears of wonderful teaching by Mrs Robinson at Frieth and to wish her every happiness in her future. There is a message from her later in the newsletter.

We have also said a sad goodbye and thank you to Mrs Houghton, who has kept our school running so smoothly in her time with us.

The term was then completed in style with our leaver's service, planned and prepared by our superb year 6 pupils.

Good luck to our Year 6 pupils moving onto their new schools in September—we know you all have amazing futures ahead of you and wish you every success on your journey!

The year has demonstrated yet again how Frieth Pupils rise to the challenge and responsibility of being a part

of our community and they are all wonderful ambassadors for our school. Well done to all of you!

Finally, thank you to all the amazing staff who work so hard to bring everything together and provide so many wonderful opportunities for our pupils.

And now for a well-earned rest! Have an amazing summer break and see you in September!

Message from Mrs Robinson

Dear everyone,

Thank you for my wonderful goodbye assembly, cards, gifts and kind words. It has been a real pleasure to teach for 11 years at Frieth; a pleasure to work with such wonderful staff; meet all the parents but most importantly to have had such fun times working with your children. Every day as a teacher is varied and we have to think on our toes for most of the day as challenges get presented to us and plans change but the children are at the heart of that. They are unique, create challenges, put smiles on our faces and above all make teaching the fabulous and varied job it is.

I am not taking on a new teaching role at the moment, instead having a break to decide what I would like to do next. I would love to come back and see you all at school in the new term, perhaps to listen to some readers or to watch your Christmas performance if you would like to invite me.

Until then, have a super summer break. I will remember each and every one of you and look forward to bumping into you in Marlow at some point.

Best wishes

Mrs Robinson.

Staffing Update

We are delighted to announce that, following a successful recruitment drive, we will be joined by Mrs Emma Horan as our new Office Administrator from September. We are also delighted that Mrs Hughes will also be rejoining the staff from September and providing regular class cover.

E-Safety and Snapchat

You may be aware of recent media coverage of a new automatic update to Snapchat, called Snapmaps. This app allows other users to find any individuals signed up to Snapchat to the address or location they are at. Having talked to our older pupils, some of whom are signed up to Snapchat, it was clear that they were not all aware of this new feature or how to turn it off. Whilst we have discussed it in school, we thought parents might appreciate some further information regarding this app, and have included some links with information and advice. We hope you find these useful.
