Summer 3

Message from Mrs Reid

Welcome back after the break. We hope you all had a lovely and restful half term. Our Owls and Buzzards classes had a fantastic start to the half term with an afternoon session of 'Scootability' training. All the equipment was provided by the coach and the pupils learnt about safety when using scooters and also a few special tricks! This was a fantastic opportunity, subsidised by the PTA and the standard of the tuition was so fantastic, I am sure it will be repeated in the future. KS2 started the half term with a fantastic Treasure Hunt day, finding clues and areas of interest in our local surrounding area. They walked a large circular route, taking in the Church, the fields, Parmoor Woods (where they stopped for a picnic lunch) and around the back of Frieth village. The pupils had fabulous weather and came back full of fresh air and enthusiasm, but certainly tired out from their

adventures! Continuing our active lifestyles next week, all the children will be taking part in a special Cricket coaching day, funded by the Frieth Cricket Club and their partner coaches. Each class will be having an additional hour of coaching on Friday 14th June. This links in with the celebration of the Cricket World Cup and the club are hosting a special Sports day this

Sunday, 9th June. Please see the information over the page for more details. In other news, from next week we will be

7th June 2019

trialling a new system for recording lateness in school. This is in response to the latest safeguarding advice and training received and our commitment to always having best practice for safeguarding our pupils. When the trial starts next Monday, the side and front gate will both be closed at 8:55 - the official start of the school day - to ensure pupils are in class and ready to learn before the register closes at 9:00am. Any pupils who arrive after 8:55 and who need to enter the building through the front office will need to be signed into the building by their parent or adult bringing them to school. If your child regularly enters school through the front reception area in the morning, you may wish to consider leaving home slightly earlier, to avoid having to enter the building and sign your child in. Thank you in advance for your support in helping us keep our pupils safe. We will keep you informed of any outcomes and feedback after the trial period is complete. Have a lovely weekend and a great Frieth Sports Day on Sunday!

Mrs Reid

Frieth Cricket Club, World Cup Club Day Sunday June 9th 2019

On Sunday June 9th, Frieth Cricket Club will be celebrating this year's Cricket World Cup and their status as a World Cup Cricket Club, by hosting a fun-packed family sports day and barbecue, from 12pm at the club's beautiful ground, at Parmoor.

With the Junior Section coaching taking place from 10.30am you can make a day of it with a barbecue at lunchtime, cooked on the equipment purchased with support from the Cricket World Cup Fund. This will be followed by a traditional sports day that pits children against children and adults against adults.

All are welcome to come and eat, socialise and join in. We look forward to welcoming you on Sunday.

REMINDERS

Calendar Dates; All dates for the busy summer term have been uploaded to the website calendar. However, this term is always incredibly busy and there may be changes to dates as we go through. Please keep an extra vigilant eye on pupil book bags as there will be lots of letters and information coming your way this term!

Whole school Photograph; Thank you to all the staff and pupils who turned out in style for the whole school photograph. It is absolutely wonderful and has been getting some lovely comments from visitors to our school library, where it is on display. Don't forget, you can order a copy from tempest in the usual way.

Water Bottles - please double-check that your child has a named water bottle in school. When pupils don't have their water bottle we have to give them a single-use disposable plastic cup, and have now run out - which means we've used approx. 100 since the beginning of the school year. I am sure you will agree that has an environmental impact that we wish to avoid.

Sunny Weather

Now the weather is becoming warmer please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them.

Working Parties; Thank you to all our volunteers who help keep our school grounds a vibrant learning environment for our pupils. The next scheduled working party on 6th July has been cancelled owing to diary clashes, however, please keep an eye on any other working party updates for the summer term. The next scheduled working party will be held on Saturday 14th September.

E-safety Evening for Parents: **CHANGE of DATE!** following requests from parents, Mrs Reid has organised an E-safety evening for parents. This will now be held on Monday 1st July at 7pm. Booking for this will open using the parents evening system soon. Refreshments will be provided.
