

Frieth Newsletter

Winter 2018

Well done to everyone who has walked to school, travelled on the hop off or done park and stride at least once a week. There are also some families who should also be congratulated because they walk many miles from their home to school once a month! You know who you are.

Be Bright Be Seen

Now that the days are getting shorter and we are often walking in the dark, we must make sure that cars are still able to see us.

It is important that we wear reflective or fluorescent clothing when we are walking in the dark. There are also many cool accessories that you can wear! Remember to wear the fluorescent jackets that school has given you to wear for this year.

Road Safety Week is 19th-25th November

This year's Road Safety Week theme is Bike Smart – making sure that cyclists are safe on the roads.

Why not check out their website

<http://www.roadsafetyweek.org.uk/>

Quiz!

1. What must you do before crossing a road?

- B. Pedestrians should walk quickly
- C. No pedestrians are allowed to walk here

Answers: 1. B, 2. C, 3. C

Joke

Q: How do bees travel?

A: They get the buzz!

WOW — Let's Walk to School

WOW is Living Streets' year-round walk to school challenge.

Pupils record how they get to school each day on the interactive WOW Travel Tracker and those who walk (skate, scoot, cycle or Park & Stride!) at least once per week for a month are rewarded with a themed badge, like those below. It's that easy!

WOW helps everyone develop healthy lifelong habits and reduce congestion at the school gates. Check it out [HERE](#)

Noticeboard

Take a look at our noticeboard in school. It is next to Kites classroom.
