

Frieth Governors' News

Developing potential without limitations

Issue 22, July 2018

End of the summer term...

As another exciting term draws to a close we reflect on all our amazing achievements.

We have had several visitors to the school this term including Rabbi Zvi Solomons, Wycombe Fire service and the Show Racism the Red Card team.

The Year 3 students joined over 300 other Bucks pupils for a Sing, Perform Inspire workshop with the Chiltern Music Academy. Year 6 children have again been invited to join Garsington Opera with the Year 4 & 5 children joining them to watch some of the performance. The whole school enjoyed an afternoon at Higginson Park with other local church schools at Praise in the Park.

We celebrated National Walk to school day and were lucky to have the support of Westside Fruit in donating some fruit for the children.

The Year 5 & 6 children had a ball on their residential trip to Chatel du Broutel in France and we thank governor Jill Dean and parent Mr Cubbage for helping on the trip.

The sun shone for sports day and as always we end with the term with the tradition of Summer Queen and wish all our Y6 leavers the best at their new schools as they embark on the next chapter.

Have a fantastic summer everyone.

As always the governors extend their thanks to Mrs Reid and her staff for all they do to make the school so great and wish them restful summer holidays.

Changes and goodbye.....

We are delighted to announce that Jill Dean has now been appointed as vice chair. Jill has been a governor for over 2 years and is also chair of the Personnel and Pay committee.

We say farewell to Lynda Marston-Weston after 8 years as a governor. Her wisdom, knowledge and support have been a great asset to our governing body and school. During her appointment she has been part of the Headteacher's performance review board and chaired the Personnel and Pay committee whilst being our link with Child Protection in school. We would like to extend her our thanks and appreciation.

Thank you, thank you

To all of you who have given your time, help and your financial support to the PTA, we are hugely grateful. With your generosity we are able to make the school, and its facilities, the best that they can be. We would particularly like to thank the Chairs Juliette Chung, Richard Piercy and Bertie Bayliss, Secretary Lisa Martin and Treasurer Leah Cubbage

New Governors.....

We welcome two new governors to our school:

Ann Lazur, who was until recently Registrar and PA to the Headmaster at a local Public School so we welcome her knowledge of school systems working within an educational setting. She has been volunteering at Frieth school for the last year, mainly helping with individual reading. Ann is an active member of her local church congregation.

Gillian Sandeman is a local resident, and has a grandchild attending Frieth School. She too brings with her valuable experience from being a teacher for many years in a variety of schools including primary, and has served on a governing body previously.

We look forward to working with them and utilising their skills in the roles of child protection, Special Educational Needs and Early Years teaching.

Play equipment and outside learning areas

Governor Mel Sharpe and the Premises Committee have been working very hard to obtain quotes from registered companies for our outdoor learning areas. We have plans in place to redesign our copse area to create a forest school learning classroom, to replace parts of our existing adventure play equipment, and to include new climbing equipment as well. We hope you saw the boards up at our sports day and Summer Queen events and liked the plans and drawings for the designs. We are hoping to have the works completed in the next few months.

We would also like to extend our thanks to Ms Lautenbach for the new gardening club at school. The gardens are looking beautiful and the children are loving watching the plants and wildlife thrive under her guidance.
