

Frieth CEC Primary School

NEWSLETTER

May 2021: 1

Despite the variable weather, we have had a wonderful start to the summer term. We have been very busy with a 'deep dive' into our PSHCE and Reading provision, which was highly complementary and of course, we have appointed a wonderful new headteacher for Frieth. We welcome Mr Martin Gosling and look forward to welcoming him into school again soon.

elastic from their gravitational, feeling fired up about energy and with a newly-enthused approach to Science to start them off in their exciting week.

Throughout the week, the children continued to

Our Environmental Science Week went well and we all thoroughly enjoyed the visit from the Royal Institute of Science with their 'Energy Live!' show. We watched balloon helicopters fly to the ceiling, dropped

explore and experiment with environmental topics, engaging in a wide range of exciting activities.

The younger children explored colours and made their own slime. The Year 5 children planted fruit trees in the newly created wild flower meadow and the school were very grateful to Funmi Boyle for all his help and advice with the planting.

eggs, blew up paint tins, had balloon races, set fire to bubbles and enjoyed a range of fiery and explosive demonstrations of what energy is and how it affects our lives in an exciting journey through the stores of energy that surround us, from elastic

The week ended with a visit from Geology Jill, who helped the older children learn all about different

to gravitational, kinetic to chemical. Our children certainly did leave knowing their

rocks and the rock cycle, while the younger years created a fairy tale setting in their very own forest school area.

THANK YOU to all those who contributed towards this fun week for our children. It is not too late to make a donation if you haven't already! Anything you can offer will be greatly appreciated. Many thanks.

Honour Book

Congratulations to the following children who have made it into the headteacher's honour book this week!

Harry Bryant for his super story map and telling of the story.

Christopher Paton Ker for his fantastic sentence writing, which he read to me beautifully.

Alice Farrow for getting full marks on her arithmetic test for the first time.

Tabby Boyden, William Taylor, Alyvia Sayles, Olivia Sheppard, James Sheppard, Harry Bryant, Michael Geary, Missy Coombs, Lottie Hunt, Imogen Bater and Alora Gibbins for their wonderful Maths work.

Harry Bryant for being kind and looking after a younger child.

Well done to them all!

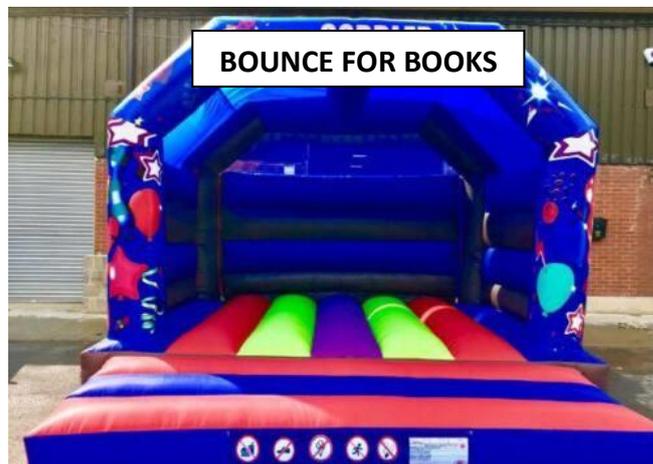

LOLLY SALE

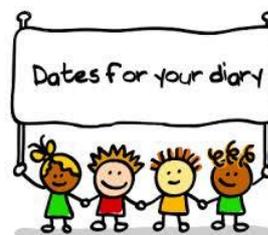

Our wonderful PTA have acquired a freezer and are going to start selling iced treats! The first sale will be on **Friday 28th May** straight after school, so don't forget to bring your cash along, or you'll have lolly envy! 😊

Euro 2021 Themed School Lunch!

Don't forget that if you book yourself a School Dinner for **Census Day Thursday 20th May** and you can come to school wearing **sporty clothing** for the day! 😊

On Monday 14th June, we will be having our first Sponsored Bounce event! The P.T.A. will supply us with a bouncy castle for the day and the children will take turns to come in and bounce! They can do up to 100 bounces and we are asking you to please sponsor them for the number of bounces they do. A sponsor form will be sent home before half term so that you can collect sponsorship from family, friends and work colleagues. All of the money raised will be spent on purchasing new books for children throughout the school. We do hope you will support us with this event, which I am sure will be very popular with the children! If successful, it could become an annual tradition! 😊

New dates are given in bold

- Thurs 20th May:** Sports Clothes if you order hot dinner! w/b 24th May: Bikeability Y6
