## Spring 12

## 21st April 2017

### Message from Mrs Reid

Welcome back to the Summer term. We have had a lovely start to the term with lots of inspiring new projects beginning. KS2 pupils have been busy writing and posting letters to local celebrity chefs asking for help with our new 'Masterchef' topic—watch this space!

Year 6 have embarked on a quest to get collect signatures for their 'cop Cards' project, being run in conjunction with Thames Valley police and are determined to collect enough to win the competition for a day out at Lego Land—Good Luck Year 6!

To finish the week we had a fantastic assembly by Eagles class based on World Book day which has inspired me to

go home as soon as I have written this newsletter and find a brilliant book to get stuck into!

In the coming weeks we also have lots for parents to get involved with as well. Next Tuesday we are delighted to welcome Julia Brown for the Bucks, Berks and OXON Maths Hub to Frieth. She is running a parent information evening about the latest in maths learning in the primary curriculum and how parents can support at home. There are still places available, so if you would like to attend, please return the slip or contact Mrs Houghton in the office so we can cater for numbers.

Also next week sees the start of our 'Perfect Parking' campaign. Road safety is especially important now the summer months are here and there are more children playing on the green after school. In order to keep our pupils safe, please can all adults be extra vigilant when the children are crossing over to the green as we have seen a number of pupils running across without

looking carefully. We will also make sure that every class has a safety lesson on how to cross the road safely at the end of the day, and to watch out for the school transport buses leaving the site. The Junior Road Safety Officers (JRSOs) have been busy working with the school travel plan team made up of parents, governors, Mrs Sparks, the local police and villagers to organize posters and volunteers for the 'Perfect Parking' campaign. Thank you to all the parents who have already signed up to the 'Perfect Parking Promise' - we look forward to seeing your badges on display next week.

Have a lovely weekend, and a great St George's Day!

*Mrs Reid*

### **MESSAGE FROM THE SCHOOL COUNCIL**

Hello this is the school council and we would like to ask you if you have any foreign coins or outdated coins. It will help girls in Kenya to go to school. £12 will give three girls sanitary protection for a year enabling them to attend school every day of the term.

Please send your money in an envelope at the start of term.

Many thanks.

### **ACTIVKIDS VOUCHERS**

Please keep sending in your vouchers which we use to get valuable sports equipment; send them in via your child's bookbag or pop into Reception and put them in the collection box on the counter top. Many thanks!

### **SUNNY WEATHER**

Now the weather is becoming sunny please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them. Sunglasses are not permitted without a note from a medical professional as the visor on a sun hat will provide enough eye protection. Please also ensure they have a named water bottle in school every day.
