Summer 10

7th July 2017

News from the Garsington Primary Chorus

Being in Garsington Primary Company is interesting because we've been learning lots of new things and techniques for singing and opera. The experience of rehearsing and performing with just the rest of the Primary company and also with the rest of Garsington Opera is just brilliant. Although it can be tiring and we (rarely) have to wait around a bit, it will be immensely rewarding and enjoyable when we perform in front of 600 people... 3 times! Garsington gives children a taste of performing, acting and singing, to see if they would like to pursue it as a career later in life. It helps us to make loads of new friends across a bunch of different schools. "It unlocked a part of me I never knew was there!" "This is the most important thing I have ever done!"

Message from Mrs Reid

Well done to all our year 5 pupils who stood in front of the school and gave speeches before the vote for Head girl and Head Boy took place. Congratulations to our incoming Head girl, Head Boy, Deputy Head Girl and Deputy Head Boy who I look forward to working with next year.

As we approach the end of the academic year there are lots of diary dates, events and information to keep track of.

Today the reports will be arriving home alongside the class lists for September. As always, we recommend reading the report by yourself first to give you time to digest the information as a parent and then once you have done so, read it through with your

child, celebrating their successes and supporting their areas for development. The teaching staff always welcome and appreciate your positive comments, supporting both your child and their efforts this year.

Between now and the end of term, we have our Summer Queen on Friday 14th July from 1:30 until 4:30pm. On Tuesday 18th, the pupils will swap to spend time in their new classes for the afternoon. On Friday 21st, the Leaver's Service will be held at 1pm in the church and we will finish the school day at 2pm.

We also have lots of fun events for the pupils, including a Bollywood dance workshop and craft mornings before the end of term, so I am sure it will be an exciting and fun way to see out the year.

Have a lovely weekend.

Mrs Reid

E-Safety and Snapchat

You may be aware of recent media coverage of a new automatic update to Snapchat, called Snapmaps. This app allows other users to find any individuals signed up to Snapchat to the address or location they are at. Having talked to our older pupils, some of whom are signed up to Snapchat, it was clear that they were not all aware of this new feature or how to turn it off. Whilst we have discussed it in school, we thought parents might appreciate some further information regarding this app, and have included some links with information and advice. We hope you find these useful.

OWN CLOTHES DAY

It is 'own clothes day' for Perrins as a reward for winning the house shield; this will take place on Wednesday 19th July.

HELPERS

We have a small build up of items that need taking to the rubbish tip again, if you are able to help with a large car or people carriers to collect some items please contact the school office. We are very grateful for any help as we would like to get rid of it before we break up for summer.

EQUIPMENT

If anyone has and saucepans with lids, woks, frying pans or kitchen utensils of any type going spare please could they be donated to school for the children to use when cooking.

LUNCHTIME STAFF

You may be aware that we have been asking for volunteers to help at lunchtime recently. Unfortunately this is because Mrs Caroline Vincent has been very unwell and is unable to work. The pupils have been informed and have made her a card this week and we know that you will join us in sending her all our love at this time.

If any parents are able to volunteer an extra hour at lunchtime to help, it would be much appreciated. Please contact the school office.

THANKYOU VERY MUCH TO EVERYONE WHO HAS HELPED WITH LUNCH SO FAR!

SUNNY WEATHER

During this week a number of pupils have again arrived in school without sun cream, sun hats or water bottles and were not prepared for the heat. We therefore had to keep a number of pupils inside during the day. Please remember to apply sun cream before your child arrives in school. Should they need to reapply, each child should have their own clearly named cream which they should be able to apply themselves. For safety reasons, children are not allowed to use another child's cream. Please also ensure your child has a named sun hat and brings a bottle of water into school with them. Sunglasses are not permitted without a note from a medical professional as the visor on a sun hat will provide enough eye protection.
