

# The Bell

Thinking creatively

Learning together

Trusting in God

Well done to RED Team for winning our virtual sports events last week. The children seem to really have enjoyed sharing their sporting prowess with us and we were really pleased to have given out so many certificates on Friday. Well done to everyone for taking part and making it a really special week. We do hope that you had some fun.

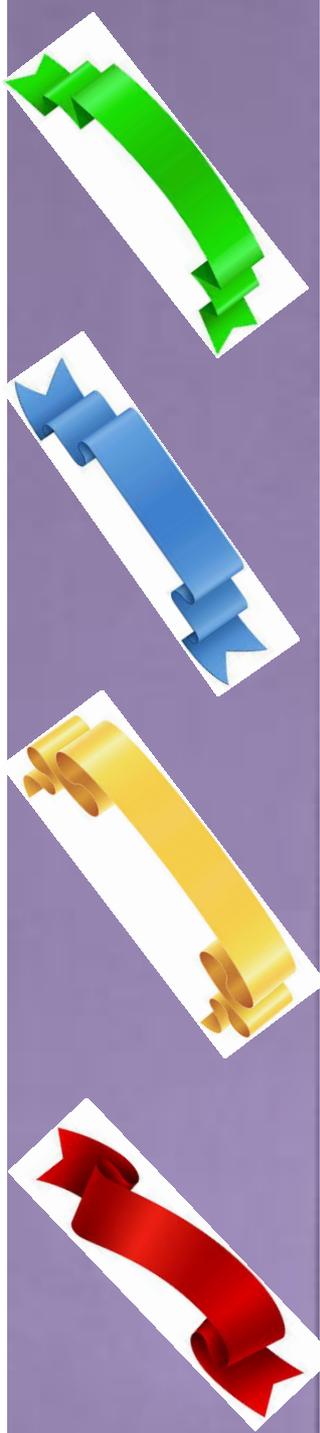

Final results were:

Red	Blue	Green	Yellow
123	90	84	82

The theme for the next 2 weeks is about 'being outside' From – 'Enchanted Woodlands' to 'Go Wild in the woodlands' to 'Outside and Wildlife'. There are plenty of activities to have a go at. We hope that you enjoy them.

Please don't forget to share with us all of the adventures that you have and activities that you do. HAVE FUN!

A letter was sent to all parents/ carers on Wednesday with dates for the end of term. We are aware that some people did not get this letter and so we re-sent on Friday.

- Nursery & Reception Pods last day of school – Thursday 16<sup>th</sup> July
- Keyworker Pods last day of school – Friday 17<sup>th</sup> July
- Monday 20<sup>th</sup> & Tuesday 21<sup>st</sup> – Transition Days – online remote learning for all.
- End of Term: Tuesday 21<sup>st</sup> July

Year 6

We are really excited to have been able to bring back our Year 6 children (for just a week) before the Summer.

It is really important to us that we celebrate with them as they finish their Primary School Years and move on to new schools and new adventures in September.

Mr McLeod has been planning meticulously to ensure that their last week in school is full of laughter and enjoyment.

Look out on our website for what they get up to...

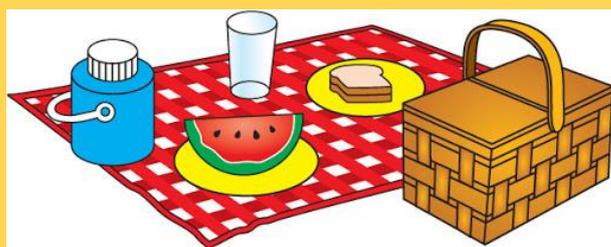

## Tuesday 21<sup>st</sup> July PICNIC

Please join us on Tuesday 21<sup>st</sup> July at 12.30pm for a virtual picnic to end our Summer Term.

It has been such a different term and we want to end it with a very clear and positive message of how amazing each and everyone of our community are and how we celebrate our differences.

Join us (virtually) for a picnic with family where you bring an object or dress up in something that celebrates part of who you are makes you feel 'good to be me'.

Don't forget to send us pictures for our website.

Your support over the last term has been much appreciated by us. With 3 weeks until the end of term, we still have much to do and have lots of wonderful learning and activities for children to enjoy whether at home or at school. Please remember to keep checking our school website for updates and also for our well-being grids which we continue to create for you all. We are aware of how difficult this last term has been and the emotional strain that it has placed on many families. If we can support in any way, please let us know.

There are still many questions that we cannot yet answer about school and September but we will keep you updated as soon as we know and are able to.
