

Younger Children's version

Grazeley Parochial Primary School

Great Oaks from Little Acorns

Mission Statement

We learn and play together in a caring Christian community where everyone feels safe and valued.

- We look after ourselves and each other and notice that we are all different in lots of ways
- We enjoy learning inside and outside and like to celebrate when we do well
- We keep going, never give up and learn to be independent so that we can always face challenges
- We try our best and learn from our mistakes
- We get ready for the next class or the next school we are going to
