

A Message from Mrs Hewins

Dear all,

Another fantastic term has flown by and it has been jam-packed with exciting events such as 100 Day, World Book Day and Science Week! The Year 5 children put on an incredible set of sell-out Jungle Book shows and were even featured in Hackney Today! I'd like to thank the teachers, parents and children who made the shows such a resounding success! We hope you have a restful Easter break and look forward to seeing the children back and ready for their final term of the academic year.

Norma Hewins

Some dates for the diary
20.4.18 Open Classroom for Y1 to 3
27.4.18 Open Classroom for Y4 to 6
27.4.18 Elm Class Assembly
4.5.18 Walnut Class Assembly
11.5.18 Pine Class Assembly

Supporting Maths at home in KS2

As a school, we have recently signed up to Times Tables Rock Stars. This is a fun and challenging programme designed to help children in KS2 master their times tables! To login, type trockstars.com into your browser's address bar.

Your child can the log in with their personal username and password.

Meet our new parent governor

We are pleased to announce that Nina Patrick will be joining Brendan Tarring as our second parent governor.

Nina is the mum of Vivienne in our nursery.

100 Days of School!

On Thursday 22nd of February, we celebrated 100 days of school so far this year. Time really has flown! Children were set the challenge of creating homework that represented the number 100. We had an incredible array of entries that included paper chains with 100 links, decorated t-shirts with number facts to 100 and even 100 pencil drawings!

New Sculptures in the Meadow

Children across Jubilee have been involved in an art project with Bow Arts which will be unveiled after the Easter holidays! Look out for their incredible work in the meadow after the break.

Donations

Reception classes are looking for donations of wellies, old clothes and underwear for 3-5 years old. Please drop them off to the School Office if you have them. Thanks!

World Book Day!

Jubilee's children and adults braved the freezing temperatures in their incredible costumes for World Book Day! Our day began with a World Book Day breakfast in the hall where children and adults shared their favourite stories and showed off their outfits! Thank you all for organising such fabulous costumes and thanks to Gina and Rory for organising the event!

Learning about the community around us

It has been fantastic to see the children broadening their horizons through the Religious Education curriculum at Jubilee. Both Year 2 and Year 4 visited the Suleymaniye Mosque on Kingsland Road and Year 3 enjoyed a visit from Milo's mum, Tanya, who taught them all about the Jewish celebration of Passover.

Community Gardening

Last Friday, Year 1 children joined a police officer and even Hackney's Mayor to help plant trees on Stamford Hill Estate. They were even featured in Hackney Citizen! Read all about it [here](#).

Science Week

We had a fantastic Science Week this year with a great turnout from parents and children at our science breakfast! Mrs Hewins even got trapped in a bubble! Thank you to Sally and Aasiyah for leading some fabulous workshops with the children and Lucin for organising it all!

Important Notice about Parents' Evenings

I hope that your Parents' Evening meeting went well and it was both informative and useful.

Parent evenings are scheduled throughout the year so that the school can keep you informed and updated of your child's progress, attitude to learning and behaviour. It is therefore vital that when you have your meeting that your child is in attendance. Following last week's Parents' Evening, many children were in the playgrounds unsupervised by their parents and this is a safeguarding issue as well as a health and safety one. Please ensure that for the next Parents' Evening your child is with you at all times and they are in the meetings with you. The playground, climbing frame, MUGA and other areas of the school are out of bounds during this time.

JUBILEE'S PTA

A big thank you to everyone who was able to come along last Thursday and vote YES in order to formally adopt our PTA Constitution. What a fantastic turnout from parents and staff! We now have a constitution for our Jubilee PTA – a first building block of our PTA. This also enables us to register as a charity.

The next steps are to fill the positions of the PTA Committee (chair, treasury and secretary) as well as parent class reps for each class in our school. Please nominate yourselves (or others) by Monday 30 April by emailing JubileeN16@gmail.com - it would be great to see as many parents/carers as possible considering participating in our PTA!
