## A Message from Mrs Hewins

Dear Parents and Carers,

Welcome back. We said bon voyage to Victoria in Year 2 last week because she is due to have her baby at the end of this half term. I would like to welcome Lizzie who will be teaching Hazel Class for the rest of the year. It's going to be a short but sweet term. Year 5 are preparing for their amazing Disney production of which 2 of the performances will be to the general public. How exciting! Please come and support them. It really is going to be wonderful. All the classes have started their topics of the local area. They've already been out and about doing their field work and exploring their surroundings.

Buy your tickets on Parent Mail or at the school office to avoid disappointment!

## Year 2 explore the local area!

This term we challenged Year 2 children to identify the differences between plan and side views of buildings in order to understand how maps work. Year 2 developed their map reading skills on a recent local walk. We braved the crisp and windy weather to draw side views of local features such as churches, mosques and parks. We also got to grips with how to use local features and street names to locate where we were on the map and choose our route to the next location.

## Forest School at Jubilee!

Some children in Year 1 and 2 have begun their Forest School sessions in our lovely school grounds. They will be learning through exploring the natural environment around them! More photos to follow!

## Donations for Reception!

Year 6 visited London Zoo to learn all about different animals and their habitats. In particular we looked at animals from the Galapagos Islands as part of our current Geography topic. A great time was had by all!
