

A Message from Mrs Hewins

Dear all,

Welcome back to the second part of the spring term. Already I am excited and looking forward to it. The Y5 children have been working hard with the exciting Disney project and will be performing The Jungle Book to sell-out audiences. Thank you to all the parents and teachers who have helped to realise this. We have World Book Day, Science Week and staff appreciation week coming up. Then there is Parents' Evening towards the end of the term where you can discuss your children's progress.

Norma Hewins

Some dates for the diary

- 1.3 World Book Day
- 1.3 Disney Performance
- 2.3 Disney Performance
- 9.3 Beech Class Assembly
- 15.3 Science Breakfast
- 16.3 Elm Class Assembly
- 20.3 Parents' Evening
- 22.3 PTA AGM
- 23.3 Chestnut Class Assembly

Calling Scientist Parents!

We will be holding a breakfast event on Thursday 15th March to celebrate Science Week. We are hoping to offer a range of fun practical activities for families to explore together in and outside of the Community Centre. If you have a personal passion you would like to share on an activity stall please contact Josh Cardale or Lucin Marshall via the school office.

Breaks and Fractures

A reminder that only children with breaks or fractures will be allowed to spend playtime in the library. If you would prefer your child to be outside, you will need to fill out a letter that can be requested at the main office.

Super Space Explorers!

Nursery, Reception and Key Stage One children enjoyed space themed dance and drama workshops. The sessions were active, engaging and enjoyable for all the children who left with massive grins on their faces! Thanks to Lauren from Perform4all for her energy and enthusiasm!

Year 2 dig up treasures by the Thames!

Year 2 had a fantastic time down on the banks of the Thames foraging for artefacts as part of our trip to the Museum of London. It really helped deepen our understanding of London's geography and rich cultural past.

Some of the treasures we found (and returned!) included animal bones and teeth and pottery from the Victorian, Georgian, Tudor and Medieval ages.

A special well done to all the children and adults for braving the chilly, and at times snowy, weather and showing such enthusiasm for the activity despite having very cold hands.

Reception Go Wild at the Zoo!

Reception had a fantastic time at London Zoo on Friday 2nd February. We saw a variety of wild animals; from penguins being fed fish by the zoo staff, getting all warm and cosy with the butterflies in the glass house as well as the goats who decided to eat our paper maps!

Jubilee's Parent Teacher Association (PTA)

A huge thank you to all parents, carers, children, teachers and staff that came to the PTA breakfast on Thursday 8 February. We are delighted that so many people came along to find out more!

The **next step** is the **adoption of the Jubilee PTA Constitution**, we are therefore calling a first Annual General Meeting (AGM) to be held on **Thursday 22 March at 8:45am** in the New Hall. Come along and simply raise your hand and vote YES! This will mean we can apply for charity status and make the money we raise worth 20% more. As a PTA charity we can also apply for additional grants alongside those that school are already involved in.

The plan is then to hold elections for the PTA committee and for class reps following the Easter holidays - please, please nominate yourself by emailing jubileen16@gmail.com - or just ask us any questions you may have about the roles.
