

A Letter from Mrs Hewins

As another marvellous year draws to a close, I want to thank everyone who has been part of our school community for making this school so special. I can hardly believe that we are nearly saying goodbye for the summer again. Looking back, highlights of the year for me have been the Disney production of The Jungle Book by Year 5, our fantastic Science Week, and of course our local charity fundraising in the Autumn term. As ever, it's been a privilege to see our children blossom and flourish in their many ways, enjoying their topics and exciting trips over the year. I can't wait to see what next year brings. Have a lovely summer holiday and stay safe!

Optional Parents' Evening

Please be reminded that school will be closing at 2pm on Tuesday 10th July for optional Parent's appointments.

Check out the PTA page [here](#) on the Jubilee website for regular updates on how our funds are being spent, and upcoming dates in the PTA calendar.

International Event

Friday 21st September, 3:30pm, New Hall

Each year, we welcome everybody back in September by getting together to celebrate our diversity at Jubilee. We love being part of such a vibrant community here, and this event is one way to explore all the different cultures represented at the school. We ask you to take pride in your heritage by cooking your favourite dishes to represent your culture and bring them along to share for free with our school community.

The PTA would like to invite you to enter our Fashion Show celebrating our different cultures. Please email jubileent16@gmail.com if you would like to take part!

Please bring your dishes along to the New Hall from 3pm on Friday 21st September. Do you have any special skills to share with us? In the past we have showcased music from different cultures. Please email Nessian at admin@jubilee.hackney.sch.uk if you can contribute to this joyful event.

Jubilee
inspiring imaginations

Summer Fair

Disco in the New Hall from 5:30-6:30pm

Friday
6th July 2018
3:30-6:30pm

Bikers' Breakfast, Thursday 12th July

Get your bike checked for FREE! Have a lovely FREE breakfast whilst you wait. If you have a bike that you would like to get checked then please do come along. Breakfast starts at 8am and the mechanic will start the checks at 8:30am, finishing at 12pm.

Sailing

Year 6 have been busy this half term learning how to sail. Each week, children have been visiting the West Reservoir centre developing their sailing skills. The children had a fantastic time and the instructors were really impressed with how quickly they mastered it!

Herb Spiral

Year 6 have been busy building their very own herb garden in the meadow. They've planted oregano, tarragon and rosemary which will be used later in the term for some cooking. The herbs were planted in a spiral shape, to allow the sun to reach all the plants and make the best use of space. Thank you to the new Jubilee PTA who were able to fund this mini project.

Events

There are lots of exciting dates for your diary coming up. Please click [here](#) to see the school calendar.

Attendance Winner!

Year 5 Alder won with the highest percentage of attendance with an average of 95.7% for last week. Look out for monthly winners in the newsletter as of September. Well done Alder!

Jars Please!

We need clean, empty jars urgently please! Some lucky children were able to visit a 'Pick your Own' farm to gather raspberries. We want to make some chutney with our harvest. Please hand the jars to the front office as soon as possible. Thank you!

The British Museum

Year 3 went on a trip to the British Museum on Friday the 15th of June as part of their Ancient Egypt topic. The children also explored the museum virtually through google classroom the following week. An Egyptologist gave a presentation on Nebamun and we explored his life through a painting from his tomb. We then investigated the various galleries and found some incredible artefacts including mummified animals!

Did you know you can take a virtual tour of the British Museum using Google Arts and Culture? It's amazing! Click [here](#) to visit the Egyptian galleries.

Goodbye and Good Luck!

We are sad to say goodbye to these lovely staff members who are going off to start new chapters in their careers: Monique, Christopher and Daniele. We will miss you so much!

Please join us in wishing Ronnie, our After School Club playleader, all the best as he heads off to be a Camp Leader at Camp America for three months over the summer. We will miss you, Ronnie! Have a wonderful adventure.

You're invited! A date for your diary

Please come along to our Welcome Meetings in September. This is an opportunity to meet the Senior Leaders and Class teachers for your child's year, learn a little about the year ahead and the curriculum in your child's year group. The dates are:

Monday 10th September: Reception

Tuesday 11th September: Years 1, 2, 3

Wednesday 12th September Years 4, 5, 6

Reception please come to your Chestnut Class after school for your Meet the Teachers meeting.

Years 1 – 6, please meet in the New Hall. See you there!

Lost Property

Please come and claim your lost property by the main reception area. It's overflowing with uniforms! Any unclaimed items left at the end of the term may be donated to charity.

Who to Contact

Click [here](#) to see our updated information on how to contact staff members.

Worry Boy

Year 6 have been creating artworks for their Stokey Street Exhibition on Church Street from 5th July - 15th July 2018. The exhibition has been created by our Year 6 children to raise mental health awareness and resilience through producing lots of fabulous art work. Their final pieces will be displayed in lots of shops on Church Street so keep an eye out!
