Headteacher: Ms Theresa Mills, M.Ed

Dear Parents and Carers

Today we wished Mrs Palmer all the very best for her maternity leave. We are all looking forward to hearing news of the little one's safe arrival and know, without a doubt that, she will make such a lovely Mummy.

We have had good news about the extension to the hall and Classes 1 & 2. Richard Japes, Nicola Hosking and I met with the builders (SWH) and Trewin Designs on Tuesday and have agreed that the construction phase plan will commence on 28<sup>th</sup> September. Rest assured that health and safety is our number one priority. We have discussed in detail the safe storage of materials and safe working practices for the duration of the 14 week project. SWH have extensive experience of successful building projects in schools and will ensure that any demolition works etc. take place when the children are off site (i.e. during the holiday period or after school hours). There will inevitably be disruption but the eventual gain will be enormous. Many thanks to Richard, Nicola and everyone involved for all their hard work in enabling this long wished for project finally become a reality.

Have a great weekend, Theresa Mills
