

Highworth Combined School

Dear all

By now, I am sure that the wonderful news that all children will return to school on 8th March has reached you! None of us have found the last 7 weeks easy and the return of something a bit closer to normal will be very welcome. It is also possible that you and your children have some feelings of anxiety. Please be assured that we will be focusing on making the return as safe as possible.

Government guidance on wider opening has arrived and the senior leadership team and I will be working through it this week to plan the return. However, I can tell you now that it seems likely we will return to an operation very similar to that of the Autumn Term.

As you continue to juggle the demands of Remote Learning, I will not bother you with further communication until Friday when I hope to be able to share all of the information that you need to prepare your children to come back to school on Monday 8th March.

Very best wishes

Clare Pankhania
