

## Highworth Combined School

Dear all

What dreadful weather it was for Eid! Although it must have been frustrating for those celebrating, I hope you were able to find ways to enjoy your time together. This afternoon we will all be enjoying an assembly to share the message of Eid, and, as you know, Eid parties will take place on Monday afternoon.

Sadly, John Ryan, our Crossing Patroller, is not able work at the moment. Charlotte, who has joined him in the afternoons, will continue to be on duty, but there will be no Crossing Patroller in the mornings for the next few days.

Government guidance for schools, effective for the 17<sup>th</sup> May, has now been published. There is very little change for the operation of primary schools so all of the existing measures to minimise the risk of virus transmission at Highworth will remain in place.

Class photographs will be taken on Tuesday 8<sup>th</sup> June, the first day back for children following half term. This is a date that we have had in our diary for a very long time so we are pleased to be able to go ahead. The photographs will be taken outside so, like lots of events right now, it is weather dependent. We hope to organise an alternative date if needs be. The taking of individual photographs has been organised for early in the Autumn Term.

A reminder that you need to book appointments for Parents Evening's taking place next Tuesday and Thursday by 8am on Monday morning. There are still plenty of appointments available for Thursday evening in most classes.

My best wishes for a happy weekend with your families

Clare Pankhania

Dear Parents/Carers

I am very excited to let you know about a recycling project Highworth Combined are about to embark upon. We are planning to build a plastic bottle greenhouse over the course of the next academic year. In order to do this, we need your help. Please could you save your empty 2 litre plastic bottles and donate them to Mrs Smith (Year 6). Also, any donations of 6-foot garden canes would be very much appreciated - see below the photo of the proposed build.

Kind Regards

Ashling Smith

**Parental agreement for safe return to school of all pupils on 8<sup>th</sup> March  
2021**

This document has 2 sides. You must read, understand and agree every point before sending your child to school

The safe opening of school is dependent upon avoiding all contact with anyone who is, or could be, infected with coronavirus. The safety of our whole community is dependent on all of us following these rules. They must be followed:

- I will never enter any part of the school site if my child or anyone in my household has any of the symptoms of Covid 19

#### Symptoms of Coronavirus

- high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
  - new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
  - loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal
- 
- My whole household will self-isolate for 14 days if anyone in the household has any of these symptoms, no matter how mild or whatever I think might be the cause
  - I will follow the 'Stay At Home...' guidance found here: <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance>
  - I will immediately inform Highworth School if my household needs to self-isolate
  - I will ensure that my child and the members of my household are tested for Coronavirus if necessary. I can use this link to book a test: <https://www.nhs.uk/conditions/coronavirus-covid-19/>
  - I will immediately inform the school if my child has received a positive test result for Coronavirus
  - I will contact the school before sending my child back if my child or anyone in my household has been ill with Covid 19

In addition, I know that in sending my child to school I am agreeing that everyone in my household will follow every one of these steps. I know that this is essential to ensure the safety of my child, Highworth staff and our community.

- I know that if my child is unable to follow the rules to keep everyone safe, even if supported by staff to do so, I will have to collect them from school
- I know that I should seek medical advice before sending my child to school if they are classed as being clinically extremely vulnerable
- I know that if my child is unable to attend school, I need to email [reception@highworthcombined.co.uk](mailto:reception@highworthcombined.co.uk), giving the following information: child's name and class; likely length of absence; Reason for absence. Please specify whether this is due to:
  - Illness and that this is unrelated to Covid 19
  - Self-isolation due to symptoms of Covid 19, or contact with a positive case
- I know that whilst school staff will encourage social distancing where they can, my child will come in to close contact with other children and adults within their year group bubble
- I will ensure that my child arrives at school within 10 minutes of the start time allocated for their class:
  - Group A: Years R, 1, 3 and 6 start at 8.35am
  - Group B: Years N, 2, 4, 5 start at 8.45am
- If possible, I will walk with my child to school
- If possible, I will allow my Year 6 child to walk to school on their own. If this is not possible, I allow my Year 6 child to walk from the school entrance to their classroom on their own
- I will not allow my Year 6 to walk with friends as they will find it hard to socially distance
- I will use the appropriate entrance to come on to the school site:
  - Year N: use the 'staff only' wooden gate from the car park
  - Year R: use the large metal double gates from the car park
  - Years 1, 2, 3 and 4: use the usual pedestrian entrance
  - Year 5 and 6: use the large metal double gates from the car park
  - All children and parents may use the back entrances to the field, but must remain 2 metres apart from other families at all times
- I will use the same gate to collect my child and arrive promptly at the time allocated for their class:
  - Group A: Years R, 1, 3 and 6 at 3.10pm
  - Group B: Years N, 2, 4, 5 start at 3.20pm
- I will take my child to the external door for their classroom and collect them from the same place (the gates to the quadrangle will be open to allow parents to do this).
- When dropping off and collecting my child, I will stand 2 metres away from the door using the yellow lines in place. I will not go beyond the yellow line
- I understand that my child will need to walk alone, the 2 metres, from me to the adult waiting to receive them and will ensure that if this not possible, that my child returns home with me
- I will only remain upon the school site for enough time to drop off or collect my child and I will ensure that my children and I remain 2 metres away from any other family group for the whole of the time that I am on the site

- I will send my child to school every day with a bottle of water with their name written clearly on it as I know that the school drinking fountains will not be available
- I will send my child to school with their lunchbox if needed
- If my child is in Nursery, I will send them to school with a change of clothes in a named bag
- I will send my child to school in their school uniform, except when they have a PE lesson
- I will send my child to school in their PE kit one day a week, when their class has a PE lesson:
  - Monday: Year 4 and Year 6; Tuesday: Year 3; Wednesday: Year R and Year 1; Thursday: Year 2; Friday: Year 5
- If my child is having a school packed lunch, I will order it on line before Thursday each week for the following week (for all year groups including Nursery and Reception). I will do this even if my child qualifies for a free school meal.
- I will not send hand sanitiser to school with my child as I know that they will wash their hands many times during the day
- I will ensure that I have given my child any required medication and applied sun protection or lotions before they come to school
- I know that I will not be able to enter the school building unless there is an emergency involving my child or if I have a prearranged meeting. I will use the intercom, the phone or email to communicate instead

Mrs C. Pankhania  
Head Teacher
