Presentation Award - Meghan

WEEK 2 MENU

AFTER SCHOOL CLUBS

After School Clubs start again next week – please complete the attached Permission Form and return to the office. Children will not be able to stay to a Club without a signed permission form. If they do not want to commit to a Club then After School Care will be available at a cost of £2 if booked in advance.

CROSSCOUNTRY RACE

Race 6 will take place at Mullion on Tuesday 30th April. If your child attends Cross Country club and would like to take part please let Mary know by Monday so they can be added to the race list.

MUSIC LESSONS

If your child is interested in music lessons please go onto the Cornwall Music Service Trust website <https://www.cornwallmusicstrust.org> – sign up for lessons – create an account. You can then follow the sign up process for group lessons.

Y3/4 CAMP MEETING

There will be a meeting for all Y3/4 parents on Thursday 2nd May at 3pm.

SUN FLOWER COMPETITION

Seb and Diggory's Grandad has kindly planted a sunflower for each child in the school to take home and grow. It would be lovely if the children could care for their plant and monitor its growth. To make it more exciting and to raise money for FOB's we have printed some sponsor forms. As well as raising money children can learn about measure and money as well as how to care for plants. If you wish for your child/ren to take part please take a plant from the table in the garden of Church Cove Class and get a sponsor form from your child's class teacher. We look forward to finding out who can grow the tallest plant and finding out how much we can raise for FOB's who do an amazing job for our school!

TEXT MESSAGING

We are now sending text messages to parents/carers for minor injuries during school time. We will of course continue to phone for slightly more serious injuries.

SUNCREAM - Please remember to send your child/ren in with sun cream and labelled/marked sun hats.

TOOT TOOT

The on-line platform that we have been trialling this past year is coming to an end. We have decided not to take up further subscription, as our children have used it so infrequently, and as a small school, we find children speak with the adults if they have concerns or are feeling unhappy. We favour this relational approach, and whilst electronic anti-bullying initiatives have a place, the trial has shown it is not of great benefit to our children with the open and friendly ethos of our school, and our on-going personal, social and health education and FAMILY values.

Events for week commencing Monday 29th April 2019
