

 Friday 11<sup>th</sup> May 2018

## STARS OF THE WEEK

**Praa Sands – Solomon for trying hard with his drawing and writing**

**Kynance – Naima for being an enthusiastic learner**

**Poldhu – Alf S for working hard and being very helpful**

## SATS WEEK – BREAKFAST

Year 6s are welcome to come in for Breakfast Club free of charge (siblings can attend for £1). This gives them chance to chat and relax before the day's test 😊

## KYNANCE CLASS

Can we please ask parents and children **not** to drop bags into Kynance class before school starts, and to use the new door from the garden. We are using the room for learning interventions before school and over coming weeks, and we will be setting up the class for the SAT tests our children have to do, and so wish to have an undisturbed working space. Mrs Larcombe.

## LATE ARRIVALS

Please note: all classroom doors will now be shut at 9.00am for registration, and any child/ren arriving after this must be taken to the office to be registered and order lunch. The aim is to reduce late arrivals; children are missing lunch orders, missing lesson introductions and generally coming into school rushed and unready for learning. This can have a negative impact on their social, emotional and academic development. Please make sure your child arrives on time – between 08.55 and 0900.

## \*\* SCHOOL MEALS \*\*

Chartwells have issued a revised food allergy form. If your child has a food allergy could you please call into the office to collect and complete a form **as soon as possible**.

## REMINDER – SCHOOL UNIFORM

School Uniform is a red polo shirt and navy blue jumper/sweatshirt/cardigan. School badges are available from the office for £5 (these can then be sewn onto new uniforms as your child grows).

## POLDHU & KYNANCE CLASSES – PE KIT

Can children please make sure they have their full PE Kits in school EVERY DAY as we are in the summer term and will be making the most of the glorious (!) weather.

**\*\* DON'T FORGET – Sun Hats and Sun Cream \*\***
