

Exciting Learning

Classes have been making the most of the lovely weather this week.

As part of their Geography topic, looking at waste and pollution Class 3 went off on a walk around the village looking for rubbish and seeing how much they could find and how much pollution is being created.

Class 4 have been using their Viking shields that they made for their homework to recreate Viking battles. They used this as inspiration for their topic writing.

Thank you to the Church who came along this week to deliver their latest 'Open the Book' Assembly. The children all enjoyed learning about the story of Noah.

Class 3/4—Great Hall*	3/4
Easter	8/4—23/4
* Details to follow	

Attendance

BEST ATTENDANCE CLASS for week beginning 11/2 is: **Classes 1, 2 and 4**

Science week

We are delighted to be holding a Science week from Monday 11th—Friday 15th March. We have lots of exciting experiments planned linked to this year's theme of 'Journeys'. We will be starting the week with a Science workshop for both KS1 and KS2 from Fizz Pop Science and finishing the week with our own science fair, which will start at 2.30. We would like to invite all parents to come along and see some of the experiments that the children have been doing

World Book Day

Thank you to everyone who has completed the Extreme reading challenge, we will be choosing the most Extreme readers next week. Parents are also invited to come along into school on Thursday morning to read with your child or share your favourite boo with their class.

Red Nose Day

This is on Friday 11th March. To coincide with our Science week we would like the children to dress up as 'Mad Scientists' or as 'Mad' as possible!

Be smart on the internet

Childnet International
www.childnet.com

S SAFE Keep safe by being careful not to give out personal information – such as your full name, email address, phone number, home address, photos or school name – to people you are chatting with online.

M MEETING Meeting someone you have only been in touch with online can be dangerous. Only do so with your parents' or carers' permission and even then only when they can be present.

A ACCEPTING Accepting emails, IM messages, or opening files, pictures or texts from people you don't know or trust can lead to problems – they may contain viruses or nasty messages!

R RELIABLE Information you find on the internet may not be true, or someone online may be lying about who they are.

t TELL Tell your parent, carer or a trusted adult if someone or something makes you feel uncomfortable or worried, or if you or someone you know is being bullied online.
You can report online abuse to the police at www.thinkuknow.co.uk

www.kidsmart.org.uk

KidSMART Visit Childnet's Kidsmart website to play interactive games and test your online safety knowledge. You can also share your favourite websites and online safety tips by Joining Hands with people all around the world.

Internet Safety

We reminded the children in Assembly and in class this week about how to keep themselves safe and be SMART whilst online. Please talk regularly with your children about what they go online for and monitor their activity online. Let's keep everyone safe.

Parents' Forum

We will be holding a parents' forum meeting on Friday 22nd March starting at 2.30. An agenda will be sent out before the meeting. Please come along and support the school as we always value your support and ideas.
