

Jigsaw

This year we are introducing a new PSHE scheme into school call Jigsaw, this is to help us support children's well being and develop a mindfulness approach across school. The children

were introduced to new jigsaw characters in assembly this week and they are Jack, Jaz, Jem, Jenny, Jez, Jen and Joe. These will be used as part of class teaching to support children with worries or problems, to listen to ideas and create well being and calmness in sessions. This half term the whole school theme is linked to 'Being me in my world'. Monday's assembly will always introduce the focus for the week and we hope to have displays around school to reflect this in the coming weeks.

On Monday 24th September there will be the opportunity to drop in to your child's class, to meet their class teacher and see what work they have started this term. These will be starting at 2.30, so please feel free to pop along.
